

**CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS
OF AMETEK, INC.**

I. Purpose

The Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of AMETEK, Inc. (the “Company”) is appointed by, and generally acts on behalf of, the Board. The Committee’s purposes shall be:

- A. To assist the Board in its oversight of (1) the integrity of the Company’s financial statements; (2) the Company’s compliance with legal and regulatory requirements; and (3) the performance of the Company’s internal audit function;
- B. To interact directly with and evaluate the performance of the independent registered public accounting firm, including to determine whether to engage or dismiss the independent registered public accounting firm, and to monitor the independent registered public accounting firm’s qualifications and independence;
- C. To prepare the audit committee report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement;
- D. To oversee the administration of the Company’s Code of Ethical Conduct for Chief Executive and Senior Financial Officers (the “Financial Code of Ethics”); and
- E. To perform such other functions as the Board may assign to the Committee from time to time.

The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. It is not the duty of the Committee to determine that the Company’s financial statements are complete and accurate, prepared in accordance with U.S. generally accepted accounting principles (“GAAP”), or fairly present the financial condition, results of operations, and cash flows of the Company in accordance with GAAP. These are the responsibilities of management. The independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews of the Company’s financial statements and, in connection with their audit of the Company’s financial statements, providing a report containing their opinion as to whether the Company’s financial statements present fairly, in all material respects, the Company’s consolidated financial position, results of operations and cash flows, as of the relevant dates and periods set forth therein, in conformity with GAAP. The Committee’s considerations and discussions with management and the independent registered public accounting firm do not assure that the Company’s financial statements are presented in accordance with

GAAP, that the audit of the Company's financial statements has been carried out in accordance with applicable auditing standards, or that the Company's independent registered public accounting firm is in fact "independent."

II. Membership

- A. The Committee shall be composed of at least three directors, each of whom must be independent. A director shall qualify as independent if the Board has affirmatively determined, consistent with the independence criteria set forth in the Company's Corporate Governance Guidelines and applicable New York Stock Exchange rules, that the director is independent. In addition, members of the Committee must also satisfy the following additional requirements in order to be independent:
 - 1. No Committee member or immediate family member of such Committee member may be an affiliated person of the Company or any of its subsidiaries, as that term is defined by the SEC; and
 - 2. No Committee member shall accept, directly or indirectly, any consulting, advisory, or other compensatory fees from the Company or any of its subsidiaries, except for fees for services as a director and member of the Committee and any other Board committee.
- B. All members of the Committee must be financially literate or become financially literate within a reasonable time after appointment to the Committee. At least one member of the Committee shall be an "audit committee financial expert," as that term is defined by the SEC.
- C. The members of the Committee shall be nominated by the Corporate Governance/Nominating Committee and appointed by a majority of the whole Board for one-year terms or until their successors shall be appointed, subject to their earlier resignation, retirement, or removal. No member of the Committee shall be removed except by majority vote of the independent directors of the full Board then in office. The Corporate Governance/Nominating Committee shall recommend, and the Board shall designate, one member of the Committee to serve as Chairperson.
- D. Generally, no member of the Committee may serve simultaneously on the audit committees of more than three public companies without a specific Board determination that such simultaneous service will not impair the ability of such Committee member to serve on the Committee.

III. Meetings and Procedures

- A. The Committee shall meet as often as it may deem necessary and appropriate in its judgment, but in no event less than four times per year. Members of the Committee may participate in a meeting of the Committee by means of a telephone conference or similar means by which all persons participating in the

meeting can hear one another, and such participation in a meeting will constitute presence in person at the meeting. A majority of the members of the Committee shall constitute a quorum.

- B. The Committee shall meet with the independent registered public accounting firm, the senior personnel performing the Company's internal audit function, and management in separate meetings, as often as it deems necessary and appropriate in its judgment.
- C. The Chairperson of the Committee or a majority of the members of the Committee may call a special meeting of the Committee.
- D. The Committee may request that any directors, officers, or employees of the Company, or other persons whose advice and counsel are sought by the Committee, attend any meeting to provide such information as the Committee requests.
- E. The Committee shall fix its own rules of procedure, which shall be consistent with the By-Laws of the Company and this Charter.
- F. The Committee shall report to the Board on the matters discussed at each meeting of the Committee, including describing all actions taken by the Committee at the meeting.
- G. The Committee shall keep written minutes of its meetings, which minutes shall be maintained with the books and records of the Company.
- H. The Committee may delegate authority to one or more members of the Committee where appropriate, but no such delegation shall be permitted if the authority is required by a law, regulation, or listing standard to be exercised by the Committee as a whole.

IV. Resources

- A. The Committee shall have the authority to obtain advice and assistance from internal and external legal, accounting and other advisors.
- B. The Company shall provide appropriate funding, as determined by the Committee, for the Committee to retain any advisors employed by the Committee and to provide for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties, in each case without requiring the Committee to seek Board approval.
