Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 17, 2008, AMETEK, Inc. (the "Company") entered into a Note Purchase Agreement pursuant to which the Company will issue and sell, in a private placement, \$350,000,000 aggregate principal amount of the Company's senior notes in four series. The Notes will be issued on two funding dates. The first funding occurred on September 17, 2008 for \$250,000,000, consisting of \$90,000,000 in aggregate principal amount of 6.59% Senior Notes due September 2015 and \$160,000,000 in aggregate principal amount of 7.08% Senior Notes due September 2018. The second funding date will be December 17, 2008 for \$100,000,000, consisting of \$35,000,000 in aggregate principal amount of 6.69% Senior Notes due December 2015 and \$65,000,000 in aggregate principal amount of 7.18% Senior Notes due December 2018. The proceeds from the Notes will be used to refinance existing indebtedness and for general corporate purposes.

The Notes are subject to certain customary covenants, including limitations on the Company and its subsidiaries ability, with significant exceptions, to engage in mergers, consolidations, asset sales, and transactions with affiliates, or to incur priority debt or liens. The Note Purchase Agreement also contains financial covenants that, among other things, require the Company to maintain a debt to EBITDA ratio of not more than 3.5 to 1.0 and an interest coverage ratio of not less than 2.5 to 1.0 for any period of four consecutive fiscal quarters. Upon the occurrence of certain events of default, all of the Notes will be immediately due and payable, and upon the occurrence of certain other events of default all of the Notes may be declared immediately due and payable. The Company may redeem the Notes upon the satisfaction of certain conditions and the payment of a make-whole amount to noteholders, and is required to offer to repurchase the Notes at par following certain events, including a change of control.

Interest on the September 2015 and 2018 Notes is payable semiannually on September 17 and March 17 commencing with March 17, 2009. Interest on the December 2015 and 2018 Notes is payable semiannually on December 17 and June 17 commencing June 17, 2009. Interest on the above mentioned Notes will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The foregoing summary of the Notes is qualified in its entirety by reference to the full text of the Note Purchase Agreement, a copy of which is filed herewith as Exhibit (10.1) and incorporated by reference herein.

4. CONDITIONS TO CLOSINGS.

Each Purchaser’s obligation to purchase and pay for the Notes to be sold to such Purchaser on a Closing Date is subject to the fulfillment to such Purchaser’s reasonable satisfaction, prior to or on such Closing Date, of the following conditions:

Feit, Senior Vice President and General Counsel for the Company, covering such matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinion to such Purchaser), and (b) from Bingham McCutchen LLP, the Purchasers' special counsel in connection with such transactions, covering such matters incident to such transactions as such Purchaser may reasonably request.

4.5. Purchase Permitted By Applicable Law, etc.

On such Closing Date, such Purchaser's purchase of the Notes to be issued to such Purchaser on such Closing Date shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. Contemporaneously with each Closing, the Company shall sell to each other Purchaser, and each such other Purchaser shall purchase the Notes to be purchased by it at such Closing as specified in Schedule A.

4.7. Payment of Special Counsel Fees.

Without limiting the provisions of Section 15.1, the Company shall have paid on the date hereof and on or before each Closing Date the reasonable fees, charges and disbursements of the applicable Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to such date.

4.8. Private Placement Number.

A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for each series of Notes.

4.9. Changes in Corporate Structure.

The Company shall not have changed its jurisdiction of incorporation or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity (whether or not the transaction would be permitted by Section 10.4) at any time following the date of the most recent financial statements referred to in Schedule 5.5.

4.10. Funding Instructions.

At least three Business Days prior to each Closing Date, each applicable Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company setting for the instructions for the delivery of the purchase price with respect to each series of Notes to be purchased by such Purchaser on such date, including (a) the name and address of the transferee bank, (b) such transferee bank's ABA number and (c) the account name and number into which the purchase price for the applicable Notes is to be deposited.

4.11. Proceedings and Documents.

All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be to the reasonable satisfaction of such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser on the date hereof and on each Closing Date that:

5.1. Organization; Power and Authority.

The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform its obligations hereunder and thereunder.

5.2. Authorization, etc.

This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

5.3. Disclosure.

The Company, through its agents, J.P. Morgan Securities, Inc., Greenwich Capital Markets and KeyBanc Capital Markets Inc., has delivered to each Purchaser a copy of a Private Placement Memorandum, dated August 11, 2008 (the "**Memorandum**"), relating to the transactions contemplated hereby. The Memorandum fairly describes, in all material respects, the general nature of the business and principal properties of the Company and its Subsidiaries. This Agreement, the Memorandum, the documents, certificates or other writings referred to in the Memorandum, or posted in respect of the Company on website www.intralinks.com prior to September 4, 2008, in connection with the transactions contemplated hereby, as of their respective dates, and the financial statements listed in Schedule 5.5, taken as a whole (this Agreement, the Memorandum and such documents, certificates or other writings and such financial statements being referred to, collectively, as the "**Disclosure Documents**"), do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents. Except as disclosed in the Disclosure Documents or in the financial statements listed in Schedule 5.5, since December 31, 2007 there has been no change in the financial condition, operations, business or properties of the Company or any Subsidiary except changes that individually or in the aggregate could not reasonably be expected to have a Material Adverse Effect (it being understood for the purposes of this Section 5.3 that any event or condition which shall cause the Company to be unable to satisfy the covenants described in Section 10.1 for any period after December 31, 2007 on a pro forma basis shall be deemed to have a Material Adverse Effect).

5.4. Organization and Ownership of Shares of Subsidiaries.

Schedule 5.4 contains complete and correct lists, as of the date hereof, of the Company's (i) Subsidiaries, showing, as to each such Subsidiary, the correct name thereof, the jurisdiction of its organization and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary, (ii) Affiliates, other than Subsidiaries, and (iii) directors and senior officers.

(a) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries, and all such stock or equity interests of Subsidiaries acquired thereafter, have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien.

(b) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(c) No Subsidiary is a party to, or otherwise subject to any legal restriction or any agreement (other than this Agreement and customary limitations imposed by corporate law statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

5.5. Financial Statements, etc.

The Company has delivered to each Purchaser copies of the financial statements of the Company and its Subsidiaries listed in Schedule 5.5 and those required to be delivered pursuant to Section 7.1. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved, except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments).

Neither the Company nor any Subsidiary had any material liabilities of a type required to be disclosed in financial statements (or notes thereto) prepared in accordance with GAAP, including material obligations under Guaranties, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments in respect of derivatives, that are not reflected in the financial statements listed in Schedule 5.5 or otherwise disclosed in the Disclosure Documents.

5.6. Compliance with Laws, Other Instruments, etc.

The execution, delivery and performance by the Company of this Agreement and the Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any

Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

The Company will apply the proceeds of the sale of the Notes to refinance existing Indebtedness of the Company and its Subsidiaries and for general corporate purposes. Neither the Company nor any Subsidiary is in default in, and no waiver of default is currently in effect in respect of, the payment of any principal or interest on any Indebtedness and no event or condition exists with respect to any Indebtedness of the Company or any Subsidiary that would permit (or that with the giving of notice or the lapse of time, or both, would permit) one or more Persons to cause such Indebtedness to become due and payable before its stated maturity or before its regularly scheduled dates of payment.

Except as disclosed in Schedule 5.15, neither the Company nor any Subsidiary has agreed or consented to cause or permit in the future (upon the happening of a contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien not permitted by Section 10.2.

5.16. Foreign Assets Control Regulations, etc.

(a) Neither the sale of the Notes by the Company hereunder nor its use of the proceeds thereof will violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto.

(b) Neither the Company nor any Subsidiary (i) is a Person described or designated in the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control or in Section 1 of the Anti-Terrorism Order or (ii) knowingly engages in any dealings or transactions with any such Person. Except as otherwise disclosed to each Purchaser in writing, and except as to matters that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect,

(a) neither the Company nor any Subsidiary has knowledge of any facts which would give rise to any claim, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use,

(b) neither the Company nor any of its Subsidiaries has stored any Hazardous Materials on real properties now or formerly owned, leased or operated by any of them and has not disposed of any Hazardous Materials in a manner contrary to any Environmental Laws, and

8.4. Maturity; Surrender; etc.

In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

8.5. Purchase of Notes.

The Company will not and will not permit any Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes. The Company will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment or prepayment of Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

8.6. Make-Whole Amount.

The term “**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount with respect to any Note, the following terms have the following meanings:

“**Called Principal**” means, with respect to such Note, the principal of such Note that is to be prepaid pursuant to Section 8.1 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of such Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on such Note is payable) equal to the Reinvestment Yield for such Note with respect to such Called Principal.

“**Reinvestment Yield**” means, with respect to the Called Principal of such Note 0.50% over the yield to maturity implied by (i) the yields reported as of 10:00 A.M. (New York City time) on the second Business Day preceding the

Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets (“**Bloomberg**”) for the most recently issued, actively traded, on-the-run benchmark U.S. Treasury securities having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not reported as of such time or the yields reported as of such time are not ascertainable (including by way of interpolation), the Treasury Constant Maturity Series Yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in U.S. Federal Reserve Statistical Release H.15 (or any comparable successor publication) for U.S. Treasury securities having a constant maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date; such implied yield will be determined, if necessary, by (A) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (B) interpolating linearly between (1) the most recently issued, actively traded, on-the-run benchmark U.S. Treasury security with the maturity closest to and greater than such Remaining Average Life and (2) the most recently issued, actively traded, on-the-run benchmark U.S. Treasury security with the maturity closest to and less than such Remaining Average Life.

The Reinvestment Yield for any Note shall be rounded to the number of decimal places as appears in the interest rate of such Note.

“**Remaining Average Life**” means, with respect to the Called Principal of such Note, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years (calculated to the nearest one-twelfth year) that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of such Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, provided that if such Settlement Date is not a date on which an interest payment is due to be made under the terms of such Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.1 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of such Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.1 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

8.7. Prepayment in Connection with a Change of Control.

Promptly and in any event within five Business Days after the occurrence of a Change of Control, the Company will give written notice thereof (a “**Change of Control Notice**”) to the holders of all outstanding Notes, which Change of Control Notice shall (a) refer specifically to this Section 8.7, (b) describe the Change of Control in reasonable detail and specify the Change of Control Prepayment Date and the Response Date (as respectively defined below) in respect thereof and (c) offer to prepay all outstanding Notes at the price specified below on the date therein specified (the “**Change of Control Prepayment Date**”), which shall be a Business Day not more than 90 days after the date of such Change of Control Notice. Each holder of a Note will notify the Company of such holder’s acceptance or rejection of such offer by giving written notice of such acceptance or rejection to the Company on or before the date for such notice specified in such Change of Control Notice (the “**Response Date**”), which specified date shall be a Business Day not less than 30 days nor more than 60 days after the date of such Change of Control Notice. The Company shall prepay on the Change of Control Prepayment Date all of the outstanding Notes held by the holders as to which such offer has been so accepted (it being understood that failure of any holder to accept such offer on or before the Response Date shall be deemed to constitute rejection by such holder), at the principal amount of each such Note, together with interest accrued thereon to the Change of Control Prepayment Date but without premium. If any holder shall reject such offer on or before the Response Date, such holder shall be deemed to have waived its rights under this Section 8.7 to require prepayment of all Notes held by such holder in respect of such Change of Control but not in respect of any subsequent Change of Control.

For purposes of this Section 8.7, any holder of more than one Note may act separately with respect to each Note so held (with the effect that a holder of more than one Note may accept such offer with respect to one or more Notes so held and reject such offer with respect to one or more other Notes so held).

A “**Change of Control**” shall be deemed to have occurred if at any time after the date of this Agreement any Person or “group” (within the meaning of the Exchange Act and the rules of the SEC thereunder as in effect on the date hereof) shall acquire ownership, directly or indirectly, beneficially or of record, of more than 50% of the outstanding shares of the Voting Stock or economic interests of the Company.

8.8. Prepayment in Connection with the Disposition of Certain Assets.

(a) Notice and Offer. In the event net proceeds of a Disposition are to be used to make an offer (a “**Transfer Prepayment Offer**”) to prepay Notes pursuant to Section 10.3 of this Agreement (a “**Debt Prepayment Transfer**”), the Company will give written notice of such Debt Prepayment Transfer to each holder of Notes. Such written notice shall contain, and such written notice shall constitute, an irrevocable offer to prepay, at the election of each holder, a portion of the Notes held by such holder equal to such holder’s Ratable Portion of the net proceeds in respect of such Debt Prepayment

Transfer on a date specified in such notice (the “**Transfer Prepayment Date**”) that is not less than thirty (30) days and not more than sixty (60) days after the date of such notice, together with interest on the amount to be so prepaid accrued to the Transfer Prepayment Date. If the Transfer Prepayment Date shall not be specified in such notice, the Transfer Prepayment Date shall be the thirtieth (30th) day after the date of such notice.

(b) Acceptance and Payment. To accept such Transfer Prepayment Offer, a holder of Notes shall cause a notice of such acceptance to be delivered to the Company not later than twenty (20) days after the date of such written notice from the Company, provided, that failure to accept such offer in writing within twenty (20) days after the date of such written notice shall be deemed to constitute a rejection of the Transfer Prepayment Offer. If so accepted by any holder of a Note, such offered prepayment (equal to not less than such holder’s Ratable Portion of the net proceeds in respect of such Debt Prepayment Transfer) shall be due and payable on the Transfer Prepayment Date. Such offered prepayment shall be made at one hundred percent (100%) of the principal amount of such Notes being so prepaid, together with interest on such principal amount then being prepaid accrued to the Transfer Prepayment Date determined as of the date of such prepayment.

(c) Other Terms. Each offer to prepay the Notes pursuant to this Section 8.8 shall specify (i) the Transfer Prepayment Date, (ii) the net proceeds in respect of the applicable Debt Prepayment Transfer, (iii) that such offer is being made pursuant to Section 8.8 and Section 10.3 of this Agreement, (iv) the principal amount of each Note offered to be prepaid, (v) the interest that would be due on each Note offered to be prepaid, accrued to the Transfer Prepayment Date and (vi) in reasonable detail, the nature of the Disposition giving rise to such Debt Prepayment Transfer and certifying that no Event of Default exists or would exist after giving effect to the prepayment contemplated by such offer.

9. AFFIRMATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding or any Purchaser has an obligation to purchase Notes hereunder:

9.1. Compliance with Laws.

Without limiting Section 10.6, the Company will and will cause each of its Subsidiaries to comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including without limitation, ERISA and the USA Patriot Act and Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, to the extent necessary to ensure that non-compliance with such laws, ordinances, governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

9.2. Insurance.

The Company will and will cause each of its Subsidiaries to maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated.

9.3. Maintenance of Properties; Books and Records.

(a) The Company will and will cause each of its Subsidiaries to maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, provided that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of any of its properties if such discontinuance is desirable in the conduct of its business and the Company has concluded that such discontinuance could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(b) The Company will and will cause each of its Subsidiaries to keep proper books of records and account in which full, true and correct entries in conformity with GAAP (or, in the case of any Foreign Subsidiary, in accordance with local accounting standards) and all requirements of laws shall be made of all dealings and transactions in relation to their respective business and activities.

9.4. Payment of Taxes.

The Company will and will cause each of its Subsidiaries to file all income tax or similar tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies payable by any of them, to the extent such taxes, assessments, charges or levies have become due and payable and before they have become delinquent, provided that neither the Company nor any Subsidiary need (a) pay any such tax, assessment, charge or levy if the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (b) pay any such tax, assessment, charge or levy if the nonpayment of all such taxes, assessments, charges or levies in the aggregate could not reasonably be expected to have a Material Adverse Effect.

9.5. Corporate Existence, etc.

Subject to Section 10.4, the Company will at all times preserve and keep in full force and effect its corporate existence. Subject to Sections 10.3 and 10.4, the Company will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries (unless merged into the Company or a Subsidiary) and all rights and franchises of the Company and its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence of any Subsidiary or any such right or franchise could not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

9.6. Ranking.

The Company will ensure that, at all times, all liabilities of the Company under the Notes will rank in right of payment either *pari passu* with or senior to all other unsecured, unsubordinated Indebtedness of the Company.

10. NEGATIVE COVENANTS.

The Company covenants that so long as any of the Notes are outstanding or any Purchaser has an obligation to purchase Notes hereunder:

10.1. Certain Financial Conditions.

The Company will not permit:

(a) **Consolidated Debt to EBITDA** — Consolidated Debt at any time to exceed 3.50 times EBITDA for the four consecutive fiscal quarters then most recently ended; or

(b) **Interest Coverage** — the ratio of (i) EBITDA to (ii) Interest Expense, in each case for the four consecutive fiscal quarters then most recently ended, to be less than 2.5 to 1.00; or

(c) **Priority Debt** — Priority Debt at any time to exceed 15% of Consolidated Total Assets (determined as of the end of the most recently ended fiscal quarter of the Company) provided, however, that no Lien created pursuant to Section 10.2(j) shall secure Indebtedness owing under the Bank Credit Agreement unless the Notes are equally and ratably secured by all property subject to such Lien and no Subsidiary shall guaranty or otherwise become obligated in respect of such Indebtedness unless such Subsidiary guaranties, or becomes obligated in respect of, the Notes, in each case pursuant to documentation reasonably satisfactory to the Majority Holders. Notwithstanding the foregoing, any Foreign Subsidiary may become a borrower under the Bank Credit Agreement, so long as it is liable only for the amount of its direct borrowings thereunder, and the Company shall not be required to cause such Foreign Subsidiary to guaranty the Notes in accordance with this clause (c), if (i) no Default or Event of Default exists and is continuing at the time such Foreign Subsidiary becomes a borrower under the Bank Credit Agreement and (ii) at such time the provision by such Foreign Subsidiary of a guaranty of the Notes would cause the earnings of such Foreign Subsidiary to be treated as a deemed dividend to such Foreign Subsidiary's United States parent under the Code; provided, however, that a guaranty of the Notes from such Foreign Subsidiary shall be required to be delivered to the holders of Notes in accordance with this clause (c) on the earliest to occur thereafter of (x) a Default or Event of Default or (y) such time as the provision by such Foreign Subsidiary of a guaranty of the Notes would not cause the earnings of such Foreign Subsidiary to be treated as a deemed dividend to such Foreign Subsidiary's United States parent under the Code. (For the avoidance of doubt, any borrowing by a Foreign Subsidiary under the Bank Credit Agreement shall constitute Priority Debt unless such Foreign Subsidiary shall have provided a guaranty or shall have otherwise become obligated in respect of the Notes in accordance with the terms of this Section 10.1(c).)

If during any test period for which EBITDA is being determined any acquisition or Disposition shall have been consummated, then for purposes of clauses (a) and (b) above EBITDA shall be determined on a pro forma basis as if such acquisition or Disposition shall have been consummated on the first day of such test period and any Indebtedness incurred or retired in connection therewith had been incurred or retired on such first day.

10.2. Liens.

The Company will not and will not permit any Subsidiary to create, assume, incur or suffer to exist any Lien on any asset, whether now owned or hereafter acquired, except for the following:

(a) Liens of or resulting from any judgment or award, the time for the appeal or petition for rehearing of which shall not have expired, or in respect of which any of the Company and its Subsidiaries shall at the time in good faith be prosecuting an appeal or a proceeding for a review, and for which adequate reserves have been made;

(b) Liens for property taxes, assessments or other governmental charges which are not yet due and payable, statutory Liens of landlords and Liens of carriers, warehousemen, mechanics, and other similar liens incurred in the ordinary course of business for sums not yet due and payable;

(c) Liens incidental to the conduct of business or the ownership of properties and assets (including Liens in connection with worker's compensation, unemployment insurance and other like laws, warehousemen's and attorney's liens and statutory landlord's liens) and Liens to secure the performance of bids, tenders or trade contracts, or to secure statutory obligations,

surety or appeal bonds or other Liens of like general nature incurred in the ordinary course of business and not in connection with the borrowing of money, the obtaining of advances or credit or the payment of the deferred purchase price of property; provided in each case, the obligation secured is not overdue or, if overdue, is being contested in good faith by appropriate actions or proceedings, and for which adequate reserves have been made;

(d) leases or subleases granted to others, easements, rights-of-way, restrictions and other similar charges or encumbrances, in each case incidental to, and not interfering with, the ordinary conduct of the business of the Company or any of its Subsidiaries, provided that such Liens do not, in the aggregate, materially detract from the value of the affected property;

(e) Liens on property or assets of any Subsidiary securing Indebtedness owing to the Company or to a Subsidiary;

(f) Liens existing as of the date hereof securing Indebtedness of the Company or any Subsidiary and described on Schedule 5.15;

(g) any Lien existing on assets of a Person immediately prior to such Person being consolidated with or merged into the Company or a Subsidiary or such Person becoming a Subsidiary, or any Lien existing on any assets acquired by the Company or any Subsidiary at the time such assets are so acquired (whether or not the Indebtedness secured thereby shall have been assumed), provided that (i) no such Lien shall have been created or assumed in contemplation of such consolidation or merger or such Person becoming a Subsidiary or such acquisition of assets, and (ii) each such Lien shall extend solely to the item or items so acquired and, if required by the terms of the instrument originally creating such Lien, other assets which are an improvement to or are acquired for specific use in connection with such acquired Person or assets of a Person;

(h) Liens securing Indebtedness under Permitted Receivables Securitization Programs, provided that the aggregate principal amount of such Indebtedness does not exceed the greater of \$125,000,000, or such other amount not to exceed 15% of Consolidated Tangible Assets;

(i) Liens created in substitution of or as a replacement for any Liens permitted by clauses (a) through (h) above, provided that a Senior Financial Officer shall have determined in good faith that the assets encumbered by such substitute or replacement Lien are substantially similar in nature to and of equal or lesser value than the assets encumbered by the Lien that is being replaced; and

(j) Liens not otherwise permitted by the foregoing clauses of this Section 10.2 securing Indebtedness of the Company or any of its Subsidiaries, provided Priority Debt does not at any time exceed 15% of Consolidated Total Assets.

10.3. Disposition of Assets.

The Company will not and will not permit any Subsidiary to, directly or indirectly, sell, lease, transfer or otherwise dispose of any of its assets (including, without limitation, capital stock of any Subsidiary) or permit any Subsidiary to issue any capital stock (collectively a “**Disposition**,” which term shall not include any payment of dividends) unless, after giving effect to such proposed Disposition, the aggregate net book value of all assets of the Company and its Subsidiaries that were the subject of a Disposition during the period of 365 days ending on (and including) the date of such Disposition (valued, in the case of any issuance of capital stock by, or sale of capital stock of, a Subsidiary, as provided in the last sentence of this Section 10.3) does not exceed 15% of Consolidated Total Assets (as shown on the most recent consolidated balance sheet furnished pursuant to Section 7.1(b)), provided that the following Dispositions shall not be taken into account for purposes of such calculations under this Section 10.3:

(a) any Disposition in the ordinary course of business and involving only property that is either (i) inventory held for sale or (ii) equipment, fixtures, supplies or materials no longer required in the operation of the business of the Company or any of its Subsidiaries or that are obsolete;

(b) any Disposition by a Subsidiary to the Company or a Wholly-Owned Subsidiary;

(c) any Disposition otherwise permitted by Section 10.4; and

(d) any Disposition not otherwise permitted by the foregoing provisions of this Section 10.3 for fair value to the extent that the net proceeds of such Disposition are applied within 360 days from the date of such Disposition either to (i) the acquisition, construction, improvement or development of operating assets (excluding, for the avoidance of doubt, cash and cash equivalents) to be used in the business of the Company and its Subsidiaries or (ii) the repayment or prepayment of unsubordinated Indebtedness of the Company or a Subsidiary (any such repayment or prepayment to include, except to the extent of any repayment of Indebtedness secured by the asset so disposed of, prepayment of Notes (at par and without payment of any Make-Whole Amount) to the extent that the offer to prepay the Notes pursuant to Section 8.8 has been accepted as provided therein, which offered prepayment of Notes is in at least an aggregate principal amount that bears the same relation to the amount then being applied to reduce all unsubordinated Indebtedness of the Company and its Subsidiaries as the aggregate unpaid principal amount of the Notes bears to the aggregate unpaid principal amount of all outstanding unsubordinated Indebtedness of the Company and its Subsidiaries); provided that any prepayment in connection with any revolving credit facility or similar facility shall be counted for purposes of this clause (ii) only to the extent the commitment of such facility is permanently reduced by the amount of such prepayment.

The aggregate net book value of any capital stock issued by any Subsidiary, or sold by the Company or any other Subsidiary, shall be deemed to be, in the case of an issuance or sale of common stock, the same percentage of the net book value of such

Subsidiary's assets as such issued or sold common stock is of all outstanding common stock of such Subsidiary (after giving effect to any such issuance) and, in the case of an issuance of Preferred Stock, the greater of the aggregate liquidation or redemption value thereof.

10.4. Merger, Consolidation, etc.

The Company will not consolidate or merge with any other Person or convey, transfer or lease all or substantially all of its assets in a single transaction or series of transactions to any Person except that the Company may consolidate with or merge with any other corporation or convey or transfer all or substantially all of its assets to a corporation or limited liability company organized and existing under the laws of the United States or any State thereof, provided that

(a) the continuing, surviving or acquiring corporation or limited liability company (the “**Surviving Person**”) shall be a solvent corporation or limited liability company organized and existing under the laws of the United States or any State thereof (including the District of Columbia), and, if the Company is not the Surviving Person, (1) the Surviving Person shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes, in a form reasonably satisfactory to each holder of Notes and (2) the Surviving Person shall have caused to be delivered to each holder of any Notes an opinion of nationally recognized independent counsel, or other independent counsel reasonably satisfactory to the Majority Holders, to the effect that all agreements or instruments effecting such assumption are enforceable in accordance with their terms and comply with the terms hereof; and

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing.

No such conveyance, transfer or lease of substantially all of the assets of the Company shall have the effect of releasing the Company or any successor corporation or limited liability company that shall theretofore have become such in the manner prescribed in this Section 10.4 from its liability under this Agreement or the Notes.

10.5. Transactions with Affiliates.

The Company will not and will not permit any Subsidiary to enter into directly or indirectly any Material transaction or Material group of related transactions (including without limitation the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or a Wholly-Owned Subsidiary), except (a) pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon terms that are no less favorable to the Company or such Subsidiary than would be obtainable in an arm's-length transaction with a Person not an Affiliate, (b) the Company may grant stock options, stock appreciation rights, restricted stock awards and phantom stock awards to its and its Subsidiaries' directors in the ordinary course of business, and (c) the Company and its Subsidiaries may pay reasonable and customary fees to their directors who are not also officers or employees of the Company or any of its Subsidiaries.

10.6. Terrorism Sanctions Regulations.

The Company will not and will not permit any Subsidiary to (a) become a Person described or designated in the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control or in Section 1 of the Anti-Terrorism Order or (b) engage in any dealings or transactions with any such Person.

11. EVENTS OF DEFAULT.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

(a) default in the payment of any principal or Make-Whole Amount, if any, on any Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise; or

(b) default in the payment of any interest on any Note for more than five days after such payment becomes due and payable; or

(c) default in the performance of or compliance with any term contained in Section 7.1(d) or Section 10.1(b); or

(d) default in the performance of or compliance with any term contained in Sections 10.1 (other than subsection (b)) to 10.4, inclusive, and such default is not remedied within 10 days after the earlier of (i) a Responsible Officer obtaining actual knowledge of such default and (ii) the Company receiving written notice of such default from any holder of a Note (any such written notice to be identified as a “notice of default” and to refer specifically to this paragraph (d) of Section 11); or

(e) default in the performance of or compliance with any term contained herein (other than those referred to in paragraphs (a), (b), (c) and (d) of this Section 11) and such default is not remedied within 30 days after the earlier of (i) a Responsible Officer obtaining actual knowledge of such default and (ii) the Company receiving written notice of such default from any holder of a Note (any such written notice to be identified as a “notice of default” and to refer specifically to this paragraph (e) of Section 11); or

(g) (i) the Company or any Subsidiary is in default (as principal or as guarantor or other surety) in the payment of any principal of or premium or make-whole amount or interest on any Indebtedness beyond any period of grace provided with respect thereto, or (ii) the Company or any Subsidiary is in default in the performance of or compliance with any term of any evidence of any Indebtedness or of any mortgage, indenture or other agreement relating thereto or any other condition exists, and as a consequence of such default or condition such Indebtedness has become, or has been declared due and payable before its stated maturity or before its regularly scheduled dates of payment; provided that it shall not constitute an Event of Default pursuant to clause (i) or (ii) of this Section 11(g) unless the outstanding principal amount of all such Indebtedness referred to in clauses (i) and (ii) above exceeds \$25,000,000 (or its equivalent in another currency) at any one time; or

(h) the Company or any Significant Subsidiary (i) is generally not paying, or admits in writing its inability to pay, its debts as they become due, (ii) files, or consents by answer or otherwise to the filing against it of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy, for liquidation or to take advantage of any bankruptcy, insolvency, reorganization, moratorium or other similar law of any jurisdiction, (iii) makes an assignment for the benefit of its creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers with respect to it or with respect to any substantial part of its property, (v) is adjudicated as insolvent or to be liquidated, or (vi) takes corporate action for the purpose of any of the foregoing; or

(k) if (i) any Plan shall fail to satisfy the minimum funding standards of ERISA or the Code for any plan year or part thereof or a waiver of such standards or extension of any amortization period is sought or granted under section 412 of the Code, (ii) a notice of intent to terminate any Plan shall have been or is reasonably expected to be filed with the PBGC or the PBGC shall have instituted proceedings under ERISA section 4042 to terminate or appoint a trustee to administer any Plan or the PBGC shall have notified the Company or any ERISA Affiliate that a Plan may become a subject of any such proceedings, (iii) the aggregate “amount of unfunded benefit liabilities” (within the meaning of section 4001(a)(18) of ERISA) under all Plans, determined in accordance with Title IV of ERISA, shall exceed \$25,000,000, (iv) the Company or any ERISA Affiliate shall have incurred or is reasonably expected to incur any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans, (v) the Company or any ERISA Affiliate withdraws from any Multiemployer Plan, or (vi) the Company or any Subsidiary establishes or amends any employee welfare benefit plan that provides post-employment welfare benefits in a manner that would increase the liability of the Company or any Subsidiary thereunder; and any such event or events described in clauses (i) through (vi) above, either individually or together with any other such event or events, could reasonably be expected to have a Material Adverse Effect.

As used in Section 11(k), the terms “**employee benefit plan**” and “**employee welfare benefit plan**” shall have the respective meanings assigned to such terms in section 3 of ERISA.

12. REMEDIES ON DEFAULT, ETC.

12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in paragraph (h) or (i) of Section 11 (other than an Event of Default described in clause (i) of paragraph (h) or described in clause (vi) of paragraph (h) by virtue of the fact that such clause encompasses clause (i) of paragraph (h)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Majority Holders, may at any time at its or their option, by notice or notices to the Company, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of Section 11 has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate), (y) the Make-Whole Amount determined in respect of such

principal amount (to the full extent permitted by applicable law), and (z) interest accrued at the Default Rate on any overdue payment of Make-Whole Amount in accordance with the terms of the Notes, in each case shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2. Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. Rescission.

At any time after any Notes have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the Majority Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid or deposited pursuant to trust arrangements acceptable to the Majority Holders all overdue interest on any Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than the non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4. No Waivers or Election of Remedies, Expenses, etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including without limitation reasonable attorneys' fees, expenses and disbursements.

13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

13.1. Registration of Notes.

The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

13.2. Transfer and Exchange of Notes.

Upon surrender of any Note at the principal executive office of the Company for registration of transfer or exchange (and in the case of a surrender for registration of transfer, accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the address for notices of each transferee of such Note or part thereof), within ten Business Days thereafter the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes of the same series (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be in the form of Note for such series set forth in Exhibit 1, 2, 3 or 4, as the case may be. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$500,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Notes of a series, one Note of such series may be in a denomination of less than \$500,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

13.3. Replacement of Notes.

Upon receipt by the Company of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter the Company at its own expense shall execute and deliver, in lieu thereof, a new Note of the same series, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

14. PAYMENTS ON NOTES.

14.1. Place of Payment.

Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of JP Morgan Chase Bank, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in the United States or the principal office of a bank or trust company in New York, New York.

14.2. Home Office Payment.

So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, and interest by the method and at the address specified for such purpose below such Purchaser's name in Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

15. EXPENSES, ETC.

15.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company agrees to pay all costs and expenses (including reasonable attorneys' fees of one special counsel and, if reasonably required, local or other counsel) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective), including without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information and all subsequent annual and interim filings of documents and financial information related to this Agreement, with the SVO or any successor organization succeeding to the authority thereof and (c) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes).

In furtherance of the foregoing, on the date hereof and on each Closing Date the Company will pay the reasonable fees and disbursements and other charges (including estimated unposted disbursements and other charges as of such date) of Purchasers' special counsel which are reflected in the statement of such special counsel submitted to the Company at least one Business Day prior to such date. The Company will also pay, promptly upon receipt of supplemental statements therefor, reasonable additional fees, if any, and disbursements and other charges of such special counsel in connection with the transactions hereby contemplated

(including disbursements and other charges unposted as of such date to the extent such disbursements and other charges exceed estimated amounts paid as aforesaid).

15.2. Survival.

The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes and the termination of this Agreement.

16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

17. AMENDMENT AND WAIVER.

17.1. Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Majority Holders and, prior to the earlier of the Second Closing Date and the date the Purchasers have no further obligation to purchase Notes hereunder, a majority (by principal amount of their intended purchase hereunder) of the Purchasers in respect of any Notes which have not been issued at such time except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 5, 6 or 21, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing, and (b) no such amendment or waiver may, without the written consent of the holder of each Note at the time outstanding, (i) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate of interest or change the time of payment or method of computation of interest or of the Make-Whole Amount on, the Notes, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (iii) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

17.2. Solicitation of Holders of Notes.

(a) **Solicitation.** The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) **Payment.** The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support is concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

17.3. Binding Effect, etc.

Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note. As used herein, the term “**this Agreement**” and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

17.4. Notes Held by Company, etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

18. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(i) if to a Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,

(ii) if to any other holder of any Note, to such other holder at such address as such other holder shall have specified to the Company in writing, or

(iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of the Treasurer, or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 18 will be deemed given only when actually received.

19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at any Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company, any Subsidiary or any third party known by such Purchaser to be in violation of a duty of confidentiality owed by such party to the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, trustees, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes), (ii) its financial advisors and other professional advisors who agree or whose duties require them to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which it offers to purchase any Security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Notes and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Affiliate, shall contain such Affiliate’s agreement to be bound by this Agreement and shall contain a confirmation by such Affiliate of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this

Agreement (other than in this Section 21), shall be deemed to refer to such Affiliate in lieu of such original Purchaser. In the event that such Affiliate is so substituted as a Purchaser hereunder and such Affiliate thereafter transfers to such original Purchaser all of the Notes then held by such Affiliate, upon receipt by the Company of notice of such transfer, any reference to such Affiliate as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Affiliate, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

22. MISCELLANEOUS.

22.1. Successors and Assigns.

All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including without limitation any subsequent holder of a Note) whether so expressed or not.

22.2. Construction.

Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

22.3. Jurisdiction and Process.

(a) The Company irrevocably submits to the non-exclusive in personam jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement, or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the in personam jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company irrevocably consents to process being served in any suit, action or proceeding of the nature referred to in Section 22.3(a) by mailing a copy thereof by registered or certified mail, postage prepaid, return receipt requested, to the Company at its address specified in Section 18, or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that, to the fullest extent permitted by applicable law, such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall be taken and held to be valid personal service upon and personal delivery to the Company. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 22.3 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE COMPANY WAIVES TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

(e) Any payment on account of an amount that is payable hereunder or under the Notes by the Company that is made to or for the account of any holder of Notes in any currency other than the currency specified for such payment, whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of the Company, shall constitute a discharge of the Company's obligation under this Agreement or any Note only to the extent of the amount of Dollars that such holder (i) could purchase in the foreign exchange markets in New York, New York with the amount of such other currency in accordance with normal banking procedures at the rate of exchange prevailing on the day (other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in New York, New York) following receipt of the payment first referred to above or (ii) purchases pursuant to such holder's regular banking arrangements at the time with respect to payments received in a currency other than Dollars. If the amount of Dollars, as the case may be, so purchased (or, absent such a purchase, the amount that could be so purchased) is less than the amount of Dollars, originally due to such holder, the Company agrees to pay the deficient amount to such holder upon demand.

The Company agrees, to the fullest extent permitted by law, to indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of any such currency deficiency. This indemnity shall, to the fullest extent permitted by law, constitute an obligation separate and independent from the other obligations contained in this Agreement or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under the Notes or under any judgment or order.

22.4. Payments Due on Non-Business Days.

Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirements in Section 8 that notices in respect of prepayments specify a Business Day as the date fixed for such prepayment), any payment of principal of or Make-Whole Amount (if any) or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day.

22.5. Severability.

Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the fullest extent permitted by applicable law) not invalidate or render unenforceable such provision in any other jurisdiction.

22.6. Accounting Terms.

All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, all computations made pursuant to this Agreement shall be made in accordance with GAAP and all balance sheets and other financial statements with respect thereto shall be prepared in accordance with GAAP. Except as otherwise specifically provided herein, any consolidated financial statement or financial computation shall be done in accordance with GAAP; and, if at the time that any such statement or computation is required to be made the Company shall not have any Subsidiary, such terms shall mean a financial statement or a financial computation, as the case may be, with respect to the Company only.

22.7. Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

22.8. Governing Law.

This Agreement and the Notes shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the State of New York excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

SCHEDULE 5.18 ENVIRONMENTAL MATTERS

2007 10-K Excerpt

Environmental Matters

Certain historic processes in the manufacture of products have resulted in environmentally hazardous waste by-products as defined by federal and state laws and regulations. While these waste products were handled in

compliance with regulations existing at that time, at December 31, 2007 the Company is named a Potentially Responsible Party (PRP) at 15 non-AMETEK-owned former waste disposal or treatment sites (the “non-owned” sites). The Company is identified as a “de minimis” party in 12 of these sites based on the low volume of waste attributed to the Company relative to the amounts attributed to other named PRPs. In 10 of these sites, the Company has reached a tentative agreement on the cost of the de minimis settlement to satisfy its obligation and is awaiting executed agreements. The tentatively agreed-to settlement amounts are fully reserved. In the other two sites, the Company is continuing to investigate the accuracy of the alleged volume attributed to the Company as estimated by the parties primarily responsible for remedial activity at the sites to establish an appropriate settlement amount. In the three remaining sites where the Company is a non-de minimis PRP, the Company is participating in the investigation and/or related required remediation as part of a PRP Group and reserves have been established sufficient to satisfy the Company’s expected obligation. The Company historically has resolved these issues within established reserve levels and reasonably expects this result will continue. In addition to these non-owned sites, the Company has an ongoing practice of providing reserves for probable remediation activities at certain of its current or previously owned manufacturing locations (the “owned” sites). For claims and proceedings against the Company with respect to other environmental matters, reserves are established once the Company has determined that a loss is probable and estimable. This estimate is refined as the Company moves through the various stages of investigation, risk assessment, feasibility study and corrective action processes. In certain instances, the Company has developed a range of estimates for such costs and has recorded a liability based on the low end of the range. It is reasonably possible that the actual cost of remediation of the individual sites could vary from the current estimates, and the amounts accrued in the financial statements; however, the amounts of such variances are not expected to result in a material change to the financial statements. In estimating our liability for remediation, we also consider our likely proportionate share of the anticipated remediation expense and the ability of the other PRPs to fulfill their obligations.

Total environmental reserves at December 31, 2007 and 2006 were \$25.3 million and \$28.7 million, respectively for non-owned and owned sites. In 2007, the Company provided \$1.5 million of additional reserves for environmental liabilities. The Company’s reserves for environmental liabilities at December 31, 2007 and 2006 include reserves of \$18.0 million and \$21.2 million, respectively, for an owned site acquired in connection with the fiscal 2005 acquisition of HCC Industries (“HCC”). The Company is solely liable for the performance of remedial activities for one of several operating units making up a large Superfund site in the San Gabriel Valley of California. The Company has obtained indemnifications and other financial assurances from the former owners of HCC related to the costs of the required remedial activities. At December 31, 2007, the Company has \$12.6 million in receivables related to HCC for probable recoveries from third-party escrow funds and other committed third-party funds to support the required remediation. In addition, the Company is indemnified by HCC’s former owners for up to \$19.0 million of additional costs.

The Company also has agreements with other former owners of certain of its acquired businesses as well as new owners of previously owned businesses. Under certain of the agreements, the former or new owners retained, or assumed and agreed to indemnify the Company against, certain environmental and other liabilities under certain circumstances. The Company and some of these other parties also carry insurance coverage for some environmental matters. To date, these parties have met their obligations in all material respects; however, one of these companies recently filed for bankruptcy liquidation. AMETEK has established reserves which are sufficient to perform all known responsibilities under existing claims and consent orders. The Company has no reason to believe that other third parties would fail to perform their obligations in the future. In the opinion of management, based upon presently available information and past experience related to such matters, an adequate provision for probable costs has been made, and the ultimate cost resulting from these actions is not expected to materially affect the consolidated financial position, results of operations, or cash flows of the Company.
