

Training and Annual Certifications

In 2020, we trained all full-time employees who use email regarding how they can assist the company mitigate cyber-security risks by deploying nine courses to nearly 12,000 AMETEK employees with a completion rate of over 97%.

All full-time employees who interact with vendors, customers or have access to financial records are required to certify annually as to their compliance with key AMETEK policies including the code of conduct, conflicts of interest and anti-corruption. In 2019, compliance surveys were sent to nearly 11,000 AMETEK employees with a response rate of over 93%.
