AMETEK, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

September 30, 1995

(Unaudited)

Note 1 - Financial Statement Presentation

The accompanying consolidated financial statements are unaudited, but the Company believes that all adjustments (which consist of normal recurring accruals) necessary for fair presentation of the consolidated financial position of the Company at September 30, 1995 and the consolidated results of its operations and cash flows for the three and nine-month periods ended September 30, 1995 and 1994 have been included. Quarterly results of operations are not necessarily indicative of results for the full year. Quarterly financial statements should be read in conjunction with the financial statements and related notes in the Company's 1994 Annual Report.

Note 2 - Earnings Per Share

Earnings per share is based on the average number of common shares outstanding each period. No material dilution of earnings per share would result for the third quarter or first nine months of 1995 or 1994 if it were assumed that all outstanding stock options were exercised. The sum of quarterly earnings per share does not equal year-to-date earnings per share due to the effects of common stock repurchases.

Note 3 - Acquisitions

On March 31, 1995, the Company purchased the heavy vehicle instrumentation business of privately held Dixon, Inc. for cash. This acquisition was accounted for by the purchase method, and accordingly, the results of Dixon's operations are included in the Company's consolidated results from the date of acquisition. This acquisition would not have had a material effect on sales or earnings for the third quarter or the first nine months of 1995 or 1994, had it been made at the beginning of the respective periods.

On March 1, 1995, the Company acquired a 50% ownership interest in a joint venture established with a Taiwanese supplier to manufacture low-cost pressure gauges in China and Taiwan for worldwide markets. This investment is accounted for by the equity method, and the Company's 50% share of the operating results since March 1, 1995, insignificant in amount, is reported through its domestic gauge manufacturing Division.

The aggregate cost of the acquisition and the investment in the joint venture totaled \$40.8 million, consisting of \$38.3 million cash paid, and \$2.5 million of deferred payment obligations payable over periods up to three years. The joint venture investment is reported with Intangibles and Other Assets in the September 30, 1995 balance sheet.

Note 4 - Discontinued Operations

On May 18, 1995, the Company sold its foam packaging business (the Microfoam Division) to Astro Valcour, Inc. for approximately \$37 million in cash. The sale of the assets of Microfoam resulted in a second quarter 1995 gain of \$10.4 million, net of taxes of \$6.4 million, after providing for certain costs related to the sale. As a result of this transaction, the consolidated financial statements have been restated to reflect Microfoam as discontinued operations.

Note 6 - Long-term debt

On August 2, 1995, the Company replaced its \$200 million secured bank credit facility with a new Bank Credit Agreement with a group of banks led by The Chase Manhattan Bank, N.A. The new five-year revolving credit facility is unsecured, and provides up to \$195 million in revolving credit loans, with scheduled reductions in the total credit facility to \$150 million by August 1, 1999. The new credit facility also contains certain performance criteria, which when met, provide the Company with lower interest rates and reduced commitment fees.

Upon execution of the Agreement, the Company drew down \$57.5 million to repay \$45 million in term loans and \$12.5 million in revolving credit loans outstanding under the previous agreement. At September 30, 1995, the Company had \$63.3 million in revolving credit loans outstanding under the new Credit Agreement, at an average interest rate of approximately 7%. The loans are

classified as short-term borrowings on the Company's balance sheet. The new Credit Agreement contains requirements, which among other things, provide for compliance with certain financial ratios. At September 30, 1995, the Company met all such requirements.

In connection with the new Bank Agreement, the Company recorded a non-cash after-tax extraordinary charge of \$2.7 million, or \$.08 per share, in the third quarter of 1995, for the write-off of deferred debt issuance costs related to the previous bank credit agreement.

Note 7 - New Accounting Standard

In March 1995, the Financial Accounting Standards Board issued Statement No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of." This statement establishes accounting standards for the impairment of Long-Lived assets, certain identifiable intangibles and goodwill related to these assets to be held, and used, and for long-lived assets and certain identifiable intangibles to be disposed of. The statement requires that such assets be reviewed for impairment when changes in circumstances indicate that the carrying value of the asset may not be fully recoverable. The statement also requires such assets, when held for disposal, be reported at the lower of carrying value or fair value, less cost to sell. The Company is required to adopt this statement no later than 1996. Based on past practices and the new accounting requirements, adoption of this statement is not expected to have a material effect on the Company's operations or financial position.

AMETEK, INC.

Item 2. Management's Discussion and Analysis of Financial Condition and Results

of Operations

Financial Condition

Liquidity and Capital Resources

Working capital at September 30, 1995 amounted to \$21.1 million, a decrease of \$57.8 million from December 31, 1994, largely due to additional short-term borrowings, which were used in part to fund non-working capital requirements. In the first quarter of 1995, the Company purchased a new business and invested in a joint venture. Cash expenditures for the repurchase of 1.9 million shares of the Company's common stock were also incurred since the beginning of the year. In connection with the execution of a new bank credit agreement in August 1995, borrowing was partially used to repay long-term debt outstanding under the previous bank credit agreement. In May 1995, the Company received and expended proceeds from the sale of the Microfoam Division. Microfoam is reported as discontinued operations in the consolidated financial statements. Partly offsetting these items were increases in receivables and inventories, due to the higher level of business activity in 1995. The ratio of current assets to current

liabilities at September 30, 1995 was 1.09 to 1, compared to 1.44 to 1 at December 31, 1994.

Cash provided by the Company's operating activities for the first nine months of 1995 totaled \$32.6 million, compared to \$91.4 million in the same period of 1994, a decrease of \$58.8 million. Increased operating working capital requirements, including cash outlays to fund restructuring accruals, accounted for \$22.0 million of the overall decrease. Operating cash generated in the first quarter of 1994 included net cash inflows totaling \$31.6 million from the sale of marketable securities in a trading portfolio. Since March 31, 1994, cash flows from the Company's marketable securities are reported as investing activities. Operating cash flow for 1995 also includes \$2.6 million of net cash used by discontinued operations, while the 1994 amount included net cash provided by discontinued operations of \$6.2 million.

Cash used for investing activities in the first nine months of 1995 totaled \$16.0 million, compared to cash used of \$6.1 million in the same period last year. Cash expenditures in the first nine months of 1995 were primarily for the acquisition of a business, and an investment in a joint venture, requiring a total cash outlay of \$38.3 million. Capital expenditures in the first nine months of 1995 totaled \$19.9 million, compared to \$15.4 million in the same period of the prior year. Partly offsetting these cash outlays was \$42.1 million in proceeds, received primarily from the sale of the Microfoam Division, plus marketable securities and other assets. Also included in 1994 investing activities were \$9.3 million in net proceeds from the sale of investment assets.

8

AMETEK, INC.

Financial Condition (cont'd)

Financing activities in the first nine months of 1995 used cash totaling \$20.5 million, compared to cash used of \$106.9 million in the same period of 1994. In the first nine months of 1995 the Company received net proceeds from short-term borrowings totaling \$65.3 million, and repaid \$50 million in term loans, of which \$5 million was scheduled. The remaining \$45 million was an early repayment of term loans outstanding under the Company's previous bank credit facility.

On August 2, 1995, the previous secured bank credit facility was replaced by a new unsecured Bank Credit Agreement. This five-year credit facility provides up to \$195 million in revolving credit loans, with scheduled reductions in the total facility beginning in 1998 to \$150 million by August 1, 1999. The new Credit Agreement also provides for certain performance incentives that, when met, will lower interest rates, and reduce commitment fees to the Company. As a result of the new Bank Agreement, and the repayment of the prior term loans, the Company recorded a non-cash after-tax extraordinary charge of \$2.7 million, or \$.08 per share in the third quarter of 1995, for the write-off of debt issuance costs related to the previous bank credit agreement.

Cash expended for financing activities in the first nine months of 1995 also included \$33 million for the repurchase of 1,909,000 shares of the Company's common stock, and the funding of \$6 million in dividends. Financing activities in the first nine months of 1994 primarily included the proceeds from the sale of \$150 million of 9 3/4% senior public notes, borrowings of \$156 million under the Company's previously existing bank credit agreement, the repayment of \$185.4 million due to the early retirement of debt, and the repurchase of 9.2 million shares of the Company's common stock at a total cost of \$118.8 million. Since beginning the stock repurchase program in March 1994, a total of 11.2 million shares have been acquired as of October 31, 1995, at a total cost of \$152.5 million, under a \$175 million

total authorization.

As a result of the above operating, investing and financing activities, cash and cash equivalents and short-term marketable securities decreased \$7 million since December 31, 1994, to \$10.7 million at September 30, 1995. Management believes that the Company will have sufficient cash flow from its operations and from its new bank credit facility to meet future needs.

AMETEK, INC.

Results of Operations

Operations for the third quarter of 1995
compared to the third quarter of 1994

Sales from continuing operations for the third quarter of 1995 were \$204.9 million, compared to sales of \$190.4 million for the third quarter of 1994, an increase of \$14.5 million or 7.6%. The sales improvement came primarily from the Company's Electro-mechanical Group, which increased \$7.6 million or 9.5% to \$87.2 million. The Precision Instruments Group's sales increased 7.3% to \$77.2 million from 1994 third quarter sales of \$71.9 million, while the Industrial Materials Group's sales increased \$1.6 million to \$40.5 million, or 4.2%, from third quarter 1994 sales of \$38.9 million, after restatement for the sale of the Microfoam Division in May 1995.

Operating income from continuing operations for the third quarter of 1995 increased \$2.1 million or 10.6% to \$21.5 million, compared to the third quarter of 1994. This increase reflects the Company's overall higher sales volume, improved operating efficiencies in the Industrial Materials Group, and a \$.5 million cost recovery from an insurance settlement resulting from weather-related damage of a warehouse in 1994.

Interest expense for the third quarter of 1995 was \$4.9 million, a decrease of \$1.2 million from the same quarter of 1994. The reduction was due to lower effective interest rates, and reduced average debt outstanding during the current third quarter. Other income in the current third quarter includes a \$.3 million cost recovery from the insurance settlement mentioned above, and reached \$.2 million, a decrease of \$1.5 million from the third quarter of 1994, due primarily to lower interest income in the current third quarter caused by lower levels of invested cash. In the third quarter of 1994, other income included a gain on the sale of assets.

The weighted average shares outstanding during the third quarter of 1995 was 33.1 million shares, compared to 34.8 million shares for the same quarter of 1994. The reduced number of shares reflects the Company's ongoing share repurchase program, which began in March 1994.

Third quarter 1995 income from continuing operations was \$10.8 million, or \$.33 per share, compared with third quarter 1994 income of \$9.7 million, or \$.28 per share from continuing operations, an income improvement of \$1.1 million or 11%. After an extraordinary charge for the write-off of deferred debt issuance costs of \$2.7 million, or \$.08 per share, net income for the third quarter of 1995 was \$ 8.1 million, or \$.25 per share, compared to net income of \$10.2 million, or \$.29 per share for the third quarter of 1994, which included income from discontinued operations of \$.5 million, or \$.01 per share.

Electro-mechanical Group sales totalled \$87.2 million in the

current third quarter, an increase of \$7.6 million or 9.5% from the same quarter of 1994, due to higher sales of electric motor products manufactured by the Company's domestic and Italian motor operations. The Italian operations' sales increased 16.2%, with minimal foreign currency translation effects. This group is

continuing to experience softness in its U.S. markets resulting from the weakness in the U.S. home appliance industry, which is being offset by the introduction of new products.

10

AMETEK, INC.

Results of Operations (cont'd)

Operating profit of this group for the third quarter of 1995 was \$11.1 million, unchanged from the same quarter of 1994. Operating margins decreased to 12.8% in the current third quarter from 13.9% in the same quarter of 1994 due to a change in product mix in the Company's domestic operations, and the higher cost of introducing new models to increase market penetration in the soft U.S. appliance market. Operating margins were also lower because of higher material costs in the Company's Italian operations, net of increased selling prices.

In the Precision Instruments Group, sales reached \$77.2 million in

this year's third quarter, an increase of 7.3% from \$71.9 million of sales in the same quarter last year. The increase was primarily due to the sales contribution from the Dixson heavy vehicle instrumentation business, purchased at the end of the first quarter of 1995. Higher sales of automotive and process instruments were more than offset by lower sales of aerospace instruments.

Group operating profit for the current quarter decreased \$.6 million or 6.7% to \$8.7 million, from \$9.3 million in the third quarter of 1994. Operating margins decreased to 11.3% in the current third quarter from 13% in the third quarter of 1994 due to a change to a more normal product mix and margin level in the Company's commercial gauge operations. Lower sales of aerospace instruments also contributed to the profit decline. Third quarter 1994 results were unusually strong, due to a higher proportion of sales of more profitable products, as well as lower material costs in the Company's general gauge business. The reduced profitability in the current third quarter from the events noted above more than offset a profit contribution by the Dixson business.

In the Industrial Materials Group, third quarter 1995 sales from

continuing operations increased \$1.6 million or 4.2% to \$40.5 million, compared to \$38.9 million in the same quarter of 1994, due primarily to higher sales by the Company's metal powder business. The overall sales increase reflects lower sales of certain plastics compounding products, while sales of water filtration products were about the same due to continued softness in this market.

11

AMETEK, INC.

Results of Operations (cont'd)

Group operating profit for the current third quarter totaled \$7.6 million, an increase of \$1.9 million, or 32.5% from the restated \$5.7 million in the third quarter of 1994. Operating margins increased to 18.6% in the current third quarter from 14.6% in the third quarter of 1994 due to the higher sales volume, and a cost recovery from an insurance settlement of \$.8 million related to a 1994 weather-related damage of a warehouse at the Westchester Plastics Division. Third quarter profits for 1994 included a charge for asset write-offs in the corrosion-resistant materials business. The current third quarter's

overall profit increase reflects a decrease in profits from the water filtration business caused by the lack of sales growth and by somewhat higher operating costs. Late in September 1995, the Company announced that it is seeking bids for the sale of the group's Westchester Plastics Division.

Operations for the first nine months of 1995
compared to the first nine months of 1994

Sales from continuing operations for the first nine months of 1995 were \$635.5 million, compared to sales of \$584.5 million from continuing operations for the same period of 1994, an increase of \$51.0 million or 8.7%. All business segments reported improved sales, led by the Electro-mechanical Group, which increased \$31.1 million or 12.4%. The Precision Instruments Group's sales increased \$12.1 million or 5.6%, and the Industrial Materials Group's sales, which were restated for the May 1995 sale of the Microfoam Division, increased \$7.8 million or 6.6%.

Operating income from continuing operations for the first nine months of 1995 increased \$10.4 million or 18.3% to \$67.4 million, compared to \$57.0 million for the same period of 1994. This increase reflects the overall higher sales volume, plus improved operating performance from realization of benefits from the restructuring programs in the Precision Instruments Group, which were initiated in 1993. Lower costs resulting from improved operating efficiencies also benefited the Industrial Materials Group.

Other income for the first nine months of 1995 was \$.8 million, a decrease of \$2.5 million from the same period of 1994. The decrease during the current period results from reduced interest and other investment income. The lower interest income was due to lower levels of invested cash. Other income for the first nine months of 1994 included gains on asset sales.

Income from continuing operations for the first nine months of 1995 was \$32.9 million, or \$.98 per share, compared to 1994 income of \$27.5 million or \$.73 per share from continuing operations, an increase in income of \$5.4 million or 19.6%. Income from the discontinued Microfoam operations for the first nine months of 1995 was \$.8 million, or \$.02 per share, compared to income of \$1.2 million, or \$.03 per share for the same period of 1994. Results for the first nine months of 1995 also include an after-tax gain on the second quarter 1995 sale of the Microfoam Division of \$10.4 million, or \$.31 per share.

12

AMETEK, INC.

Results of Operations (cont'd)

Income before an extraordinary item in the first nine months of 1995 was \$44.1 million, or \$1.31 per share, compared to income of \$28.7 million, or \$.76 per share for the first nine months of 1994, before an extraordinary item and the cumulative effect of an accounting change. After an extraordinary charge for the write-off of deferred debt issuance costs of \$2.7 million after-tax, or \$.08 per share in the third quarter of 1995, net income for the first nine months of 1995 was \$41.4 million, or \$1.23 per share, compared to net income of \$20.7 million, or \$.55 per share for the same period of 1994, which included first quarter charges for an extraordinary loss of \$11.8 million (\$.31 per share) after-tax from the early repayment of debt and a \$3.8 million (\$.10 per share) after-tax gain from a required change in accounting for certain marketable securities.

Electro-mechanical Group sales totaled \$283.3 million in the first

nine months of 1995, an increase of \$31.1 million or 12.4% from the

same period of 1994, due to increased sales of electric motor products manufactured by the Company's domestic and Italian motor operations. Before foreign currency translation effects, which were not significant, the Italian operations reported a 28.9% increase in sales compared to the first nine months of 1994.

Operating profit of this group increased \$3.8 million or 11.4% to \$37.4 million in the first nine months of 1995, primarily because of the higher sales volume. Higher material costs in the Italian operations are being moderated by increased sales prices and cost reduction programs implemented during 1995.

In the Precision Instruments Group, sales in the first nine months of

1995 were \$226.9 million, an increase of \$12.1 million or 5.6% from the same period of 1994. The increase is largely due to the sales by the Dixson heavy vehicle instrumentation business purchased at the end of the first quarter of 1995. Higher sales of heavy truck instruments and process instruments were more than offset by lower sales of aerospace instruments.

Group operating profit increased \$2.8 million or 11.9% to \$26.2 million for the first nine months of 1995. The group benefited from a profit contribution by Dixson, and from increased operating efficiencies in the aerospace business resulting from the restructuring activities and cost reduction programs initiated in prior years, as well as an improved product mix on process instrument sales.

In the Industrial Materials Group, sales from continuing operations

for the first nine months of 1995 increased \$7.8 million or 6.6% to \$125.3 million. All but one business in this group reported a sales increase, led by the Specialty Metal Division's metal powder business. Softness in residential water filtration markets has reduced the growth in sales by the filtration business.

AMETEK, INC.

Results of Operations (cont'd)

Group operating profit from continuing operations for the first nine months of 1995 increased \$3.8 million or 20.7% to \$22.0 million, compared to \$18.2 million in the same period of 1994. The profit increase was due to the increased sales volume, and to lower operating costs in the corrosion-resistant materials and plastic compounding businesses. The overall profit increase was suppressed somewhat by reduced operating performance in the water filtration business, caused in part by the limited sales growth.

CREDIT AGREEMENT, dated as of August 2, 1995, among AMETEK, INC., a Delaware corporation (the "Borrower"), the lending institutions listed from time to time on Schedule I hereto (each a "Bank" and, collectively, the "Banks"), BANK OF MONTREAL, CORESTATES BANK, N.A. and PNC BANK, NATIONAL ASSOCIATION, as Co-Agents (each a "Co-Agent" and, collectively, the "Co-Agents"), and THE CHASE MANHATTAN BANK, N.A., as administrative agent (in such capacity, and together with its successors in such capacity, the "Administrative Agent") for the Banks. Unless otherwise defined herein, all capitalized terms used herein and defined in Section 10 are used herein as so defined.

W I T N E S S E T H :
- - - - -

WHEREAS, the Borrower, various lenders, the Co-Agents and the Administrative Agent are party to a Credit Agreement, dated as of March 11, 1994 (as the same has been amended, modified or supplemented to the date hereof, the "Existing Credit Agreement");

WHEREAS, the parties hereto wish to restructure the Borrower's Indebtedness under the Existing Credit Agreement by entering into this Agreement and the other Credit Documents; and

WHEREAS, subject to and upon the terms and conditions set forth herein, the Banks are willing to make available to the Borrower the credit facility provided for herein.

NOW, THEREFORE, IT IS AGREED:

SECTION 1. Amount and Terms of Credit.

1.01 Commitments. Subject to and upon the terms and conditions

herein set forth, each Bank severally agrees, at any time and from time to time on and after the Initial Borrowing Date and prior to the Final Maturity Date, to make a loan or loans (each a "Loan" and, collectively, the "Loans") to the Borrower, which Loans (i) except as herein after provided, may, at the option of the Borrower, be incurred and maintained as, and/or converted into, Base Rate Loans or Eurodollar Loans, provided that all Loans made by all Banks pursuant to

the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Loans of the same Type, (ii) may be repaid and reborrowed in accordance with the provisions hereof, (iii) shall not exceed in aggregate principal amount for any Bank at any time outstanding the amount which, when combined with such Bank's Percentage of the Letter of Credit Outstandings at such time, equals the Commitment of such Bank at such time and (iv) shall not exceed in aggregate principal amount for all Banks at any time outstanding the amount which,

when added to the aggregate amount of Letter of Credit Outstandings at such time, equals the Total Commitment at such time.

1.02 Minimum Borrowing Amounts, etc. The aggregate principal amount

of each Borrowing of Loans shall not be less than the applicable Minimum Borrowing Amount. More than one Borrowing may be incurred on any day, provided

that at no time shall there be outstanding more than 12 Borrowings of Eurodollar Loans in the aggregate.

1.03 Notice of Borrowing. (a) Whenever the Borrower desires to

incur Loans, it shall give the Administrative Agent at its Notice Office, written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Eurodollar Loans prior to 12:00 Noon (New York time) on the third Business Day preceding the date of the proposed Borrowing and written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Base Rate Loans to be made hereunder prior to 10:00 A.M. (New York time) on the date of the proposed Borrowing. Each of the foregoing notices (each a "Notice of Borrowing") shall be irrevocable, and, in the case of each written notice and each confirmation of telephonic notice, shall be in the form of Exhibit A-1, appropriately completed to specify (i) the aggregate principal amount of the Loans to be incurred, (ii) the date of incurrence (which shall be a Business Day) and (iii) whether the respective incurrence shall consist of Base Rate Loans or Eurodollar Loans and, if Eurodollar Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Bank written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing, of the proportionate share thereof of each Bank and of the other matters covered by the Notice of Borrowing.

(b) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent or the respective Letter of Credit Issuer (in the case of the issuance of Letters of Credit), as the case may be, may act prior to receipt

of written confirmation without liability upon the basis of such telephonic notice, reasonably believed by the Administrative Agent or such Letter of Credit Issuer, as the case may be, in good faith to be from an Authorized Officer of the Borrower as a person entitled to give telephonic notices under this Agreement on behalf of such Borrower. In each such case the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

1.04 Disbursement of Funds. (a) Subject to the terms and conditions

hereinafter provided, each Bank will make available its pro rata share, if any,

of each Borrowing requested to be made on the date specified in a Notice of Borrowing in the manner provided below by no later than 1:00 P.M. (New York time) on such date, but, in the case of a Borrowing of Base Rate Loans, only to the extent that such Bank has received a notice from the Administrative Agent of such proposed Borrowing. All amounts shall be made available to the Administrative Agent in Dollars and immediately available funds at the Payment Office and the Administrative Agent promptly will, on the date specified in such Notice of Borrowing,

-2-

make available to the Borrower by depositing to its account at the Payment Office the aggregate of the amounts so made available by the Banks by the time specified in the preceding sentence in the type of funds received. Unless the Administrative Agent shall have been notified by any Bank prior to the date of Borrowing that such Bank does not intend to make available to the Administrative Agent its portion, if any, of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Bank has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Bank and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Bank. If such Bank does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower shall pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Bank or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (x) if to be paid by such Bank, the customary rate set by the Administrative Agent for the correction of errors among banks for each day during the period consisting of the first three Business Days following such date of availability and thereafter at the Base Rate or (y) if to be paid by the Borrower, the then applicable rate of interest, calculated in accordance with Section 1.08 for the respective Loans.

(b) Nothing herein shall be deemed to relieve any Bank from its obligation to fulfill its commitments hereunder to make Loans or to prejudice any rights which the Borrower may have against any Bank as a result of any default by such Bank hereunder.

1.05 Notes. (a) The Borrower's obligation to pay the principal of,

and interest on, the Loans made to it by each Bank shall be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each a "Note" and collectively the "Notes").

(b) The Note issued to each Bank shall (i) be payable to the order of such Bank and be dated the Initial Borrowing Date, (ii) be in a stated principal amount equal to the Commitment of such Bank and be payable in the principal amount of the Loans evidenced thereby, (iii) mature on the Final Maturity Date, (iv) bear interest as provided in the appropriate clause of Section 1.08 in respect of the Base Rate Loans and Eurodollar Loans, as the case may be, evidenced thereby, (v) be subject to mandatory repayment as provided in Section 4.02 and (vi) be entitled to the benefits of this Agreement and the other Credit Documents.

(c) Each Bank will note on its internal records the amount of each Loan made by it and each payment in respect thereof and will, prior to any transfer of any of its Notes, endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby and the last date or dates on which interest has been paid in respect of the Loans evidenced thereby. Failure to make any such notation shall not affect the Borrower's obligations in respect of such Loans, or affect the validity of such transfer by any Bank of such Note.

1.06 Conversions. The Borrower shall have the option to convert on

any Business Day occurring after the Initial Borrowing Date, all or a portion at least equal to the applicable Minimum Borrowing Amount of the outstanding principal amount of the Loans made pursuant to one or more Borrowings of one or more Types of Loans into a Borrowing or Borrowings of another Type of Loan, provided that (i) except as provided in Section 1.10(b), Eurodollar Loans may be

converted into Loans of another Type only on the last day of an Interest Period applicable thereto and no partial conversion of a Borrowing of Eurodollar Loans shall reduce the outstanding principal amount of the Loans pursuant to such Borrowing to less than the Minimum Borrowing Amount applicable thereto, (ii) Loans may only be converted into Eurodollar Loans if no Default or Event of Default is in existence on the date of the conversion and (iii) Borrowings of Eurodollar Loans resulting from this Section 1.06 shall be limited in number as provided in Section 1.02. Each such conversion shall be effected by the Borrower by giving the Administrative Agent at its Notice Office, prior to 12:00 Noon (New York time), at least three Business Days or, in the case of a conversion into Base Rate Loans, prior to 10:00 A.M. (New York time) on the same Business Day, prior written notice (or telephonic notice promptly confirmed in writing) (each a "Notice of Conversion") specifying the Loans to be so converted, the Type of Loans to be converted into and, if to be converted into a Borrowing of Eurodollar Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall give each Bank prompt notice of any such proposed conversion affecting any of its Loans.

1.07 Pro Rata Borrowings. All Borrowings of Loans shall be made from

the Banks pro rata on the basis of their Commitments. It is understood that no
--- ----
Bank shall be responsible for any default by any other Bank in its obligation to make Loans hereunder and that each Bank shall be obligated to make the Loans provided to be made by it here under, regardless of the failure of any other Bank to fulfill its commitments hereunder.

1.08 Interest. (a) The unpaid principal amount of each Base Rate

Loan shall bear interest from and including the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum which shall at all times be the Base Rate in effect from time to time.

(b) The unpaid principal amount of each Eurodollar Loan shall bear interest from and including the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum which shall at all times be the relevant Euro dollar Rate plus the Applicable Margin.

(c) Overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan shall bear interest at a rate per annum equal to the Base Rate in effect from time to time plus 2%, provided that no Loan

shall bear interest after maturity (whether by acceleration or otherwise) at a rate per annum less than 2% plus the rate of interest applicable thereto at maturity.

(d) Interest shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in arrears (i) in respect of each Base Rate Loan, quarterly on the last Business Day of each calendar quarter, (ii) in respect of each Eurodollar Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period of six months, on the date occurring three months after the

first day of such Interest Period and (iii) in respect of each Loan, on any prepayment (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance with Section 12.07(b).

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of Eurodollar Loans for any Interest Period, shall promptly notify the Borrower and the Banks thereof.

1.09 Interest Periods. At the time the Borrower gives a Notice of -----
Borrowing or Notice of Conversion in respect of the making of, or conversion into, a Borrowing of Eurodollar Loans (in the case of the initial Interest Period applicable thereto) or prior to 12:00 Noon (New York time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of Eurodollar Loans (in the case of any subsequent Interest Period), it shall have the right to elect by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower, be a one, two, three or six month period. Notwithstanding anything to the contrary contained above:

(i) the initial Interest Period for any Borrowing of Eurodollar Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of Base Rate Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(ii) if any Interest Period applicable to a Borrowing of Eurodollar Loans begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of such calendar month;

-5-

(iii) if any Interest Period would otherwise expire on a day which is not a Business Day, such Interest Period shall expire on the next succeeding Business Day, provided that if any Interest Period applicable to -----

a Borrowing of Eurodollar Loans would otherwise expire on a day which is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the next preceding Business Day;

(iv) no Interest Period shall extend beyond the Final Maturity Date;

(v) no Interest Period may be elected at any time when a Default or Event of Default is then in existence;

(vi) all Eurodollar Loans comprising a Borrowing shall at all times have the same Interest Period; and

(vii) no Interest Period shall extend beyond any Scheduled Commitment Reduction Date, if, after giving effect to the selection of such Interest Period, the aggregate principal amount of Loans maintained as Eurodollar Loans with Interest Periods ending after such date would exceed the Total Commitment after giving effect to the Scheduled Commitment Reduction to occur on such date.

If upon the expiration of any Interest Period, the Borrower has failed to elect a new Interest Period to be applicable to the respective Borrowing of Eurodollar Loans as provided above, or is unable to elect a new Interest Period as a result of clause (v) above, the Borrower shall be deemed to have elected to convert such Borrowing into a Borrowing of Base Rate Loans effective as of the expiration date of such current Interest Period.

1.10 Increased Costs, Illegality, etc. (a) In the event that (x) in -----
the case of clause (i) below, the Administrative Agent or (y) in the case of clauses (ii) and (iii) below, any Bank shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Eurodollar Rate for any Interest Period that, by reason of any changes arising after the date of this Agreement affecting the London interbank Eurodollar market, adequate and fair means do not exist for ascertaining generally the applicable interest rate on the basis provided for in the definition of Eurodollar Rate; or

(ii) at any time, that such Bank shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any Eurodollar Loans (other than any increased cost or reduction in the amount received or receivable resulting from the imposition of or a change in the rate of taxes or similar charges) because of (x) any change since the date of this Agreement in any applicable law,

-6-

governmental rule, regulation, guideline, order or request (whether or not having the force of law) or in the interpretation or administration thereof and including the introduction of any new law or governmental rule, regulation, guideline, order or request (such as, for example, but not limited to, a change in official reserve requirements, but, in all events, excluding reserves referred to in Section 1.10(d)) and/or (y) other circumstances adversely affecting the London interbank Eurodollar market or the position of such Bank in such market; or

(iii) at any time, that the making or continuance of any Eurodollar Loan has become unlawful by compliance by such Bank in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law but with which such Bank customarily complies even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the date of this Agreement which adversely affects the London interbank Eurodollar market;

then, and in any such event, such Bank (or the Administrative Agent in the case of clause (i) above) shall promptly give notice (by telephone confirmed in writing) to the Borrower and (except in the case of clause (i)) to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Banks). Thereafter (x) in the case of clause (i) above, Eurodollar Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice by the Administrative Agent no longer exist, and any Notice of Borrowing or Notice of Conversion given by the Borrower with respect to Eurodollar Loans which have not yet been incurred shall be deemed rescinded by such Borrower, (y) in the case of clause (ii) above, the Borrower shall, subject to the provisions of Section 1.14 (to the extent applicable), pay to such Bank, upon written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Bank in its reasonable discretion shall determine) as shall be required to compensate such Bank for such increased costs or reductions in amounts receivable hereunder and (z) in the case of clause (iii) above, the Borrower shall take one of the actions specified in Section 1.10(b) as promptly as possible and, in any event, within the time period required by law.

(b) At any time that any Eurodollar Loan is affected by the circumstances described in Section 1.10(a)(ii) or (iii), the Borrower may (and in the case of a Eurodollar Loan affected pursuant to Section 1.10(a)(iii), shall) either (i) if the affected Eurodollar Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower was notified by a Bank pursuant to Section 1.10(a)(ii) or (iii), or (ii) if the affected Eurodollar Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Bank to convert each such Eurodollar Loan into a Base Rate Loan (which conversion, in the case of the circumstances described in Section 1.10(a)(iii), shall occur no

-7-

later than the last day of the Interest Period then applicable to such Eurodollar Loan (or such earlier date as shall be required by applicable law)); provided that if more than one Bank is affected at any time, then all affected

- -----

Banks must be treated the same pursuant to this Section 1.10(b).

(c) If any Bank determines at any time that the adoption or effectiveness after the Effective Date of any applicable law, rule or regulation regarding capital adequacy, or any change therein after the Effective Date, or any change after the Effective Date in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by such Bank with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of increasing the costs to such Bank to a level above that, or reducing the rate of return on such Bank's capital or assets as a consequence of its commitments or obligations hereunder to a level below that, which such Bank could have achieved but for such adoption, effectiveness, change or compliance (taking into consideration such Bank's policies with respect to capital adequacy), then from time to time, upon written demand by such Bank (with a copy to the Administrative Agent), the Borrower shall, subject to the provisions of Section 1.14 (to the extent applicable), pay to such Bank such additional amount or amounts as will compensate such Bank for such increased costs or reduction. Each Bank, upon determining that any additional amounts will be payable pursuant to this Section 1.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth the basis of the calculation of such additional amounts, although the failure to give any such notice shall not release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 1.10(c) upon receipt of such notice.

(d) In the event that any Bank shall determine (which determination shall, absent manifest error, be final and conclusive and binding on all parties hereto) at any time that by reason of Regulation D such Bank is required to maintain reserves in respect of Eurocurrency loans or liabilities during any period that it has a Eurodollar Loan outstanding, then such Bank shall promptly notify the Borrower and the Administrative Agent by written notice (or telephonic notice promptly confirmed in writing) specifying the additional amounts required to indemnify such Bank against the cost of maintaining such reserves (such written notice to provide a computation of such additional amounts) and the Borrower shall, subject to the provisions of Section 1.14 (to the extent applicable), directly pay to such Bank such specified amounts as additional interest at the time that it is otherwise required to pay interest in respect of such Eurodollar Loan or, if later, on demand.

1.11 Compensation. The Borrower shall, subject to the provisions of -----
Section 1.14 (to the extent applicable), compensate each Bank, upon its written request (which request shall set forth the basis for requesting such compensation), for all reasonable losses, expenses and liabilities (including, without limitation, any loss, expense or liability incurred by reason

-8-

of the liquidation or reemployment of deposits or other funds required by such Bank to fund its Eurodollar Loans to the Borrower) which such Bank may sustain:

(i) if for any reason (other than a default or error by such Bank or the Administrative Agent) a Borrowing of Eurodollar Loans does not occur on a date specified therefor in a Notice of Borrowing or Notice of Conversion (whether or not withdrawn by the Borrower or deemed withdrawn pursuant to Section 1.10(a));

(ii) if any repayment or conversion of any of its Eurodollar Loans occurs on a date which is not the last day of an Interest Period applicable thereto;

(iii) if any prepayment of any of its Eurodollar Loans is not made on any date specified in a notice of prepayment given by the Borrower; or

(iv) as a consequence of (x) any other default by the Borrower to repay its Eurodollar Loans when required by the terms of this Agreement or (y) an election made pursuant to Section 1.10(b).

Calculation of all amounts payable to a Bank with respect to Eurodollar Loans under this Section 1.11 shall be made as though that Bank had actually funded its relevant Eurodollar Loan through the purchase of a Eurodollar deposit

bearing interest at the Eurodollar Rate in an amount equal to the amount of that Eurodollar Loan, having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of that Bank to a domestic office of that Bank in the United States of America (or if such Bank has no offshore office, from an offshore office of the Administrative Agent to the domestic office of the Administrative Agent); provided, however, that each Bank may fund each of its Eurodollar Loans in any

manner it sees fit and the foregoing assumption shall be utilized only for the calculation of amounts payable under this Section 1.11.

1.12 Change of Lending Office. Each Bank agrees that, upon the

occurrence of any event giving rise to the operation of Section 1.10(a)(ii) or (iii), 1.10(c), 1.10(d), 2.05 or 4.04 with respect to such Bank, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Bank) to designate another lending office of such Bank for any Loans or Letters of Credit affected by such event, provided that such

designation is made on such terms that such Bank or its respective lending offices suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 1.12 shall affect or postpone any of the obligations of the Borrower or the right of any Bank provided in Section 1.10, 2.05 or 4.04.

1.13 Replacement of Banks. (x) Upon the occurrence of any event

giving rise to the operation of Section 1.10(a)(ii) or (iii), Section 1.10(c), Section 1.10(d), Section 2.05 or Section 4.04 with respect to any Bank which results in such Bank charging to the Borrower increased costs which are material in amount and are in excess of those being generally charged

-9-

by the other Banks or (y) as provided in Section 12.12(b) in the case of certain refusals by a Bank to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Banks, the Borrower shall have the right, if no Default or Event of Default then exists or will exist immediately after giving effect to the respective replacement and, in the case of a Bank described in clause (x) above, such Bank has not withdrawn its request for such compensation or changed its applicable lending office with the effect of eliminating or substantially decreasing (to a level which is not material) such increased cost, to replace such Bank (the "Replaced Bank") with one or more other Eligible Assignee or Assignees (collectively, the "Replacement Bank") reasonably acceptable to the Administrative Agent and each Letter of Credit Issuer; provided that (i) at the

time of any replacement pursuant to this Section 1.13, the Replacement Bank shall enter into one or more Assignment Agreements pursuant to Section 12.04(b) (and with all fees payable pursuant to said Section 12.04(b) to be paid by the Replacement Bank) pursuant to which the Replacement Bank shall acquire all of the Commitment and outstanding Loans of, and participations in Letters of Credit by, the Replaced Bank and, in connection therewith, shall pay to (x) the Replaced Bank in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Replaced Bank, (B) an amount equal to all Unpaid Drawings that have been funded by (and not reimbursed to) such Replaced Bank, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued, but theretofore unpaid, Fees owing to the Replaced Bank pursuant to Section 3.01 and (y) the respective Letter of Credit Issuer an amount equal to such Replaced Bank's Percentage (for this purpose, determined as if the adjustment described in clause (y) of the immediately succeeding sentence had been made with respect to such Replaced Bank) of any Unpaid Drawing (which at such time remains an Unpaid Drawing) with respect to any Letter of Credit issued by such Letter of Credit Issuer to the extent such amount was not theretofore funded by such Replaced Bank, and (ii) all obligations of the Borrower owing to the Replaced Bank (other than those specifically described in clause (i) above in respect of which the assignment purchase price has been, or is currently being, paid) shall be paid in full to such Replaced Bank concurrently with such replacement. Upon the execution of the respective Assignment Agreements, the payment of amounts referred to in clauses (i) and (ii) above and, if so requested by the Replacement Bank, delivery to the Replacement Bank of an appropriate Note executed by the Borrower, (x) the Replacement Bank shall become

a Bank hereunder and the Replaced Bank shall cease to constitute a Bank hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 1.10, 1.11, 2.05, 4.04 and, 12.01), which shall survive as to such Replaced Bank and (y) the Percentages of the Banks shall be automatically adjusted at such time to give effect to such replacement.

1.14 Limitation on Additional Amounts, etc. Notwithstanding anything

to the contrary contained in Sections 1.10, 1.11, 2.05 or 4.04 of this Agreement, unless a Bank gives notice to the Borrower that it is obligated to pay an amount under any such respective Section within 120 days after the later of (x) the date the Bank incurs the respective increased costs, taxes, loss, expense or liability, reduction in amounts received or receivable or reduction in

-10-

return on capital or (y) the date such Bank has actual knowledge of its incurrence of the respective increased costs, taxes, loss, expense or liability, reductions in amounts received or receivable or reduction in return on capital, then such Bank shall only be entitled to be compensated for such amount by the Borrower pursuant to said Section 1.10, 1.11, 2.05 or 4.04, as the case may be, to the extent the costs, taxes, loss, expense or liability, reduction in amounts received or receivable or reduction in return on capital are incurred or suffered on or after the date which occurs 120 days prior to such Bank giving notice to the Borrower that it is obligated to pay the respective amounts pursuant to said Section 1.10, 1.11, 2.05 or 4.04, as the case may be. Each Bank, in determining additional amounts owing under Sections 1.10, 1.11, 2.05 or 4.04, will act reasonably and in good faith, provided that such Bank's

determination of such additional amounts so owing shall, absent manifest error, be final and conclusive and binding on all parties hereto. This Section 1.14 shall have no applicability to any Section of this Agreement other than said Sections 1.10, 1.11, 2.05 and 4.04.

SECTION 2. Letters of Credit.

2.01 Letters of Credit. (a) Subject to and upon the terms and

conditions herein set forth, the Borrower may request a Letter of Credit Issuer at any time and from time to time on or after the Initial Borrowing Date and prior to the third Business Day preceding the Final Maturity Date to issue, and subject to the terms and conditions herein set forth, such Letter of Credit Issuer hereby agrees to issue from time to time, (x) for the account of the Borrower on a standby basis and in support of insurance obligations, workers compensation, bonding obligations in respect of taxes, licenses and similar requirements or obligations in respect of commodities purchased by the Borrower or any of its Subsidiaries in the ordinary course of their respective businesses and not for speculative purposes (to the extent consistent with the practices of the Borrower and its Subsidiaries prior to the Effective Date), in each case of the Borrower, any of its Subsidiaries or any Permitted Joint Venture, and other obligations (as specified in the respective Letter of Credit Request and consented to by the Administrative Agent and the respective Letter of Credit Issuer) of the Borrower, any of its Subsidiaries and/or any Permitted Joint Venture, an irrevocable standby letter of credit so requested by the Borrower in a form customarily used by such Letter of Credit Issuer or in such other form as may be approved by such Letter of Credit Issuer and the Administrative Agent (each such standby letter of credit, a "Standby Letter of Credit" and collectively, the "Standby Letters of Credit"), and (y) for the account of the Borrower and for the benefit of sellers of goods to the Borrower, any of its Subsidiaries or any Permitted Joint Venture, an irrevocable documentary letter of credit in a form customarily used by such Letter of Credit Issuer or in such other form as may be approved by such Letter of Credit Issuer and the Administrative Agent in support of commercial transactions of the Borrower, any of its Subsidiaries or any Permitted Joint Venture, as the case may be, entered into in the ordinary course of its business (each such documentary letter of credit, a "Trade Letter of Credit" and collectively, the "Trade Letters of Credit" and together with the Standby Letters of Credit, the "Letters of Credit"). Notwithstanding the foregoing, no Letter of Credit Issuer shall be obligated to issue any Letter of Credit at a time when a Bank Default exists unless such Letter of Credit Issuer has entered

into arrangements satisfactory to it and the Borrower to eliminate such Letter of Credit Issuer's risk with respect to the participation in Letters of Credit of the Bank which is the subject of the Bank Default, including by cash collateralizing such Bank's Percentage of the Letter of Credit Outstandings.

(b) Notwithstanding the foregoing,

(i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Outstandings at such time, would exceed either (x) \$15,000,000, or (y) when added to the aggregate principal amount of all Loans then outstanding, the Total Commitment at such time;

(ii) each Letter of Credit shall by its terms terminate on or before the earlier of (x) (A) in the case of Standby Letters of Credit, the date which occurs 18 months after such Standby Letter of Credit's date of issuance (subject to extension provisions acceptable to the Administrative Agent and the respective Letter of Credit Issuer) and (B) in the case of Trade Letters of Credit, the date which occurs 180 days after such Trade Letter of Credit's date of issuance and (y) the third Business Day preceding the Final Maturity Date;

(iii) each Standby Letter of Credit shall be denominated in Dollars;

(iv) each Trade Letter of Credit shall be denominated in Dollars or an Approved Alternate Currency, provided that no Trade Letter of Credit

denominated in an Approved Alternate Currency shall be issued by any Letter of Credit Issuer if the Stated Amount of such Trade Letter of Credit, when added to the Letter of Credit Outstandings at such time in respect of Trade Letters of Credit denominated in Approved Alternate Currencies, would exceed \$5,000,000;

(v) no Standby Letter of Credit shall have a Stated Amount of less than \$100,000 unless otherwise agreed to by the respective Letter of Credit Issuer;

(vi) no Trade Letter of Credit shall have a Stated Amount of less than \$10,000 unless otherwise agreed to by the respective Letter of Credit Issuer;

(vii) no Letter of Credit shall be issued by any Letter of Credit Issuer after it has received a written notice from the Borrower, the Administrative Agent or the Required Banks stating that a Default or Event of Default has occurred and is continuing until such time as such Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default by the Required Banks; and

(viii) no Letter of Credit shall be issued in support of any obligation of any Permitted Joint Venture the Stated Amount of which, when added to the sum of (x) the Joint Venture Letter of Credit Outstandings at such time and (y) the aggregate outstanding principal amount of all Joint Venture Investments, would exceed \$30,000,000.

In connection with the issuance of any Letter of Credit, the respective Letter of Credit Issuer may request from the Administrative Agent (x) a determination in accordance with Section 12.07(c) (y) as to the Stated Amount of any Letter of Credit and of the principal amount of Unpaid Drawings, in each case to the extent denominated in a currency other than Dollars, (y) the Letter of Credit Outstandings at such time with respect to Letters of Credit issued by all other Letter of Credit Issuers and (z) the aggregate principal amount of outstanding Loans at such time, and such Letter of Credit Issuer shall be entitled to rely on such information provided by the Administrative Agent.

2.02 Letter of Credit Participations. (a) Immediately upon the

issuance by a Letter of Credit Issuer of any Letter of Credit, the respective Letter of Credit Issuer shall be deemed to have sold and transferred to each

other Bank (each such other Bank, in its capacity under this Section 2.02, a "Participating Bank"), and each such Participating Bank shall be deemed irrevocably and unconditionally to have purchased and received from such Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation, to the extent of such Participating Bank's Percentage, in such Letter of Credit, each substitute letter of credit, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto (although L/C Fees will be paid directly to the Administrative Agent for the ratable account of the Participating Banks as provided in Section 3.01(b) and the Participating Banks shall have no right to receive any portion of any L/C Facing Fees). Upon any change in the Commitments of the Banks pursuant to Section 12.04, it is hereby agreed that, with respect to all outstanding Letters of Credit and Unpaid Drawings, there shall be an automatic adjustment to the participations pursuant to this Section 2.02 to reflect the new Percentages of the assignor and assignee Banks.

(b) In determining whether to pay under any Letter of Credit, the respective Letter of Credit Issuer issuing same shall have no obligation relative to any other Bank other than to confirm that any documents required to be delivered under such Letter of Credit have been delivered and that they appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by a Letter of Credit Issuer under or in connection with any Letter of Credit issued by it if taken or omitted in the absence of gross negligence or willful misconduct, shall not create for such Letter of Credit Issuer any resulting liability to the Borrower or any Bank.

(c) In the event that a Letter of Credit Issuer makes any payment under any Letter of Credit issued by it and the Borrower shall not have reimbursed such amount in full

-13-

to such Letter of Credit Issuer pursuant to Section 2.04(a), such Letter of Credit Issuer shall promptly notify the Administrative Agent and after receipt of such notice, the Administrative Agent will notify each Participating Bank of such failure, and each Participating Bank shall promptly and unconditionally pay to the Administrative Agent for the account of such Letter of Credit Issuer, the amount of such Participating Bank's Percentage of such unreimbursed payment in lawful money of the United States of America and in same day funds; provided,

however, that no Participating Bank shall be obligated to pay to the

Administrative Agent for the account of such Letter of Credit Issuer its Percentage of such unreimbursed amount for any wrongful payment made by such Letter of Credit Issuer under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence on the part of such Letter of Credit Issuer. If the Administrative Agent so notifies, prior to 11:00 A.M. (New York time) on any Business Day, any Participating Bank required to fund a payment under a Letter of Credit, such Participating Bank shall make available to the Administrative Agent for the account of such Letter of Credit Issuer such Participating Bank's Percentage of the amount of such payment on such Business Day in same day funds. If and to the extent such Participating Bank shall not have so made its Percentage of the amount of such payment available to the Administrative Agent for the account of such Letter of Credit Issuer, such Participating Bank agrees to pay to the Administrative Agent for the account of such Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon, for each day from such date until the date such amount is paid to the Administrative Agent for the account of such Letter of Credit Issuer at the overnight Federal Funds Rate. The failure of any Participating Bank to make available to the Administrative Agent for the account of the respective Letter of Credit Issuer its Percentage of any payment under any Letter of Credit shall not relieve any other Participating Bank of its obligation hereunder to make available to the Administrative Agent for the account of such Letter of Credit Issuer its Percentage of any payment under any Letter of Credit on the date required, as specified above, but no Participating Bank shall be responsible for the failure of any other Participating Bank to make available to the Administrative Agent, such other Participating Bank's Percentage of any such payment.

(d) Whenever a Letter of Credit Issuer receives a payment of a reimbursement obligation as to which the Administrative Agent has received for the account of such Letter of Credit Issuer any payments from the Participating Banks pursuant to clause (c) above, such Letter of Credit Issuer shall pay to

the Administrative Agent and the Administrative Agent shall promptly pay to each Participating Bank which has paid its Percentage thereof, in Dollars and in same day funds, an amount equal to such Participating Bank's share (based upon the proportionate aggregate amount originally funded by such Participating Bank to the aggregate amount funded by all Participating Banks) of the principal amount of such reimbursement and of interest reimbursed thereon accruing from and after the date of the purchase of the respective participations.

(e) The obligations of the Participating Banks to make payments to the Administrative Agent for the account of any Letter of Credit Issuer with respect to Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other

-14-

qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including, without limitation, any of the following circumstances:

(i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, set-off, defense or other right which the Borrower, any of its Subsidiaries or any Permitted Joint Venture may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, any Co-Agent, any Letter of Credit Issuer, any Bank, or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein (including the Transaction) or any unrelated transactions (including any underlying transaction between the Borrower, any of its Subsidiaries or any Permitted Joint Venture and the beneficiary named in any such Letter of Credit);

(iii) any draft, certificate or any other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(v) the occurrence of any Default or Event of Default.

2.03 Letter of Credit Requests; Notices of Issuance. (a) Whenever

it desires that a Letter of Credit be issued, the Borrower shall give the Administrative Agent and the respective Letter of Credit Issuer written notice (including by way of telecopier) thereof prior to 1:00 P.M. (New York time) at least three Business Days (or such shorter period as may be acceptable to such Letter of Credit Issuer) prior to the proposed date (which shall be a Business Day) of issuance (each a "Letter of Credit Request"), which Letter of Credit Request shall include an application for the Letter of Credit and any other documents that such Letter of Credit Issuer customarily requires in connection therewith. The Administrative Agent shall promptly notify each Bank of each Letter of Credit Request.

(b) The delivery of each Letter of Credit Request shall be deemed a representation and warranty by the Borrower that such Letter of Credit as requested in such Letter of Credit Request may be issued in accordance with and will not violate the requirements of Section 2.01(b). Each Letter of Credit Issuer shall, on the date of each issuance of a Letter of Credit by it, give the Administrative Agent, each Bank and the Borrower written notice of the issuance of such Letter of Credit, accompanied by a copy to the Administrative Agent of the Letter of Credit or Letters of Credit issued by it.

-15-

2.04 Agreement to Repay Letter of Credit Drawings. (a) The Borrower

hereby agrees to reimburse each respective Letter of Credit Issuer, by making payment to the Administrative Agent for the account of such Letter of Credit Issuer in Dollars in immediately available funds at the Payment Office, for any

payment or disbursement made by such Letter of Credit Issuer under any Letter of Credit issued by it (each such amount so paid or disbursed until reimbursed, an "Unpaid Drawing") immediately after, and in any event on the date of, notice from such Letter of Credit Issuer of such payment or disbursement with interest on the amount so paid or disbursed by such Letter of Credit Issuer, to the extent not reimbursed prior to 1:00 P.M. (New York time) on the date of such payment or disbursement, from and including the date paid or disbursed to but not including the date such Letter of Credit Issuer is reimbursed therefor at a rate per annum which shall be the Base Rate as in effect from time to time (plus an additional 2% per annum if not reimbursed by the third Business Day after the date of notice of such payment or disbursement), such interest to be payable on demand.

(b) The Borrower's obligation under this Section 2.04 to reimburse each respective Letter of Credit Issuer with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which the Borrower, any of its Subsidiaries or any Permitted Joint Venture may have or have had against such Letter of Credit Issuer, the Administrative Agent, any Co-Agent or any Bank, including, without limitation, any defense based upon the failure of any drawing under a Letter of Credit to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such drawing or any amendment or waiver or any consent to or departure from a Letter of Credit or any other circumstance whatsoever in making or failing to make payment under a Letter of Credit; provided, however, that the Borrower shall not be obligated to

reimburse a Letter of Credit Issuer for any wrongful payment made by such Letter of Credit Issuer under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence on the part of such Letter of Credit Issuer.

2.05 Increased Costs. If at any time after the Effective Date, the

adoption or effectiveness of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by any Letter of Credit Issuer or any Participating Bank with any request or directive (whether or not having the force of law) by any such authority, central bank or comparable agency shall either (i) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against Letters of Credit issued by any Letter of Credit Issuer or any Participating Bank's participation therein, or (ii) impose on any Letter of Credit Issuer or any Participating Bank any other conditions affecting this Agreement, any Letter of Credit or any Participating Bank's participation therein; and the result of any of the foregoing is to increase the cost to any such Letter of Credit Issuer or any such Participating Bank of issuing, maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by any such Letter of Credit Issuer or such Participating Bank here-

-16-

under, then, upon demand to the Borrower by such Letter of Credit Issuer or such Participating Bank (a copy of which notice shall be sent by such Letter of Credit Issuer or such Participating Bank to the Administrative Agent), the Borrower shall, subject to Section 1.14 (to the extent applicable), pay to such Letter of Credit Issuer or such Participating Bank such additional amount or amounts as will compensate such Letter of Credit Issuer or such Participating Bank for such increased costs or reduction. A certificate shall be submitted to the Borrower by a Letter of Credit Issuer or such Participating Bank, as the case may be (a copy of which certificate shall be sent by such Letter of Credit Issuer or such Participating Bank to the Administrative Agent), setting forth the basis for the determination of such additional amount or amounts necessary to compensate such Letter of Credit Issuer or such Participating Bank as aforesaid, although the failure to deliver any such certificate shall not release or diminish any of the Borrower's obligations to pay additional amounts pursuant to this Section 2.05.

2.06 Indemnification. In addition to its other obligations under

this Section 2, the Borrower hereby agrees to protect, indemnify and hold harmless each Letter of Credit Issuer (and their respective officers, directors, employees, representatives and agents) from and against any and all claims,

damages, losses, liabilities, costs and expenses (including reasonable attorneys' fees) whatsoever which may be incurred by such Letter of Credit Issuer (or which may be claimed against such Letter of Credit Issuer by any Person whatsoever) by reason of or in connection with (i) the issuance or a transfer of, or payment or failure to pay under, any Letter of Credit issued by such Letter of Credit Issuer and (ii) involvement of such Letter of Credit Issuer in any suit, investigation, proceeding, inquiry or action as a consequence, direct or indirect, of such Letter of Credit Issuer's issuance of a Letter of Credit or any other event or transaction related thereto; provided,

however, that the Borrower shall not be required to indemnify any Letter of

Credit Issuer for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Letter of Credit Issuer.

SECTION 3. Fees: Commitments.

3.01 Fees. (a) The Borrower agrees to pay to the Administrative

Agent a commitment commission ("Commitment Commission") for the account of each Bank for the period from and including the Effective Date to but not including the date the Total Commitment has been terminated, computed at a rate for each day equal to the Applicable Commitment Commission Percentage on the daily average of such Bank's Aggregate Unutilized Commitment. Accrued Commitment Commission shall be due and payable in arrears on the Initial Borrowing Date and, thereafter, quarterly in arrears on the last Business Day of each calendar quarter and on the date upon which the Total Commitment is terminated.

(b) The Borrower agrees to pay to the Administrative Agent for the account of the Banks pro rata on the basis of their respective Percentages, a
--- ----
fee in respect of each Letter of Credit (the "L/C Fee") in an amount equal to the Applicable Margin on the average daily Stated Amount of such Letter of Credit. Accrued L/C Fees shall be due and payable

-17-

quarterly in arrears on the last Business Day of each calendar quarter and on the date upon which the Total Commitment is terminated.

(c) The Borrower agrees to pay to the Administrative Agent for the account of each respective Letter of Credit Issuer a fee in respect of each Letter of Credit issued by such Letter of Credit Issuer (the "L/C Facing Fee") computed at the rate of 1/4 of 1% per annum on the average daily Stated Amount of such Letter of Credit. Accrued L/C Facing Fees shall be due and payable quarterly in arrears on the last Business Day of each calendar quarter and on the date upon which the Total Commitment is terminated.

(d) The Borrower hereby agrees to pay to each respective Letter of Credit Issuer upon each issuance of, drawing under and/or amendment of, a Letter of Credit issued by it such amount as shall at the time of such issuance, drawing and/or amendment equal the administrative charge which such Letter of Credit Issuer is customarily charging at such time for issuances of, drawings under and/or amendments of letters of credit issued by it.

(e) The Borrower shall pay to the Administrative Agent (x) on the Initial Borrowing Date for its own account and/or for distribution to the Co-Agents and/or the Banks such fees as heretofore agreed in writing by the Borrower and the Administrative Agent and (y) for the account of the Administrative Agent, such other fees as may be agreed to in writing from time to time between the Borrower and the Administrative Agent, when and as due.

(f) All computations of Fees shall be made in accordance with Section 12.07.

3.02 Voluntary Reduction of Commitments. Upon at least three

Default or Event of Default then exists, any such Net Insurance Proceeds shall not be required to be so applied if the Borrower has delivered a Reinvestment Notice to the Administrative Agent on or prior to the third Business Day after the date of receipt of such Insurance Proceeds to the extent of the Anticipated Reinvestment Amount specified in such Reinvestment Notice.

(f) Subject to and in accordance with Section 4.02(B), on each

Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the applicable Reinvestment Event shall be applied to the prepayment of the outstanding principal amount of Loans.

(B) Application:

(a) Each mandatory repayment of Loans made pursuant to Sections 4.02(A)(b) through (f), inclusive, shall be applied: (i) first, to prepay the principal of outstanding Loans, and (ii) second, to cash collateralize Letter of Credit Outstandings in a Cash Collateral Account.

In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its sole discretion with a view, but no obligation, to minimize breakage costs owing under Section 1.11.

(C) Notwithstanding anything to the contrary contained elsewhere in this Agreement, all then outstanding Loans shall be prepaid in full on the Final Maturity Date.

4.03 Method and Place of Payment. Except as otherwise specifically

pro vided herein, all payments under this Agreement shall be made to the Administrative Agent for the ratable account of the Banks entitled thereto, not later than 1:00 P.M. Any payments under this Agreement which are made later than 1:00 P.M. (New York time) shall be deemed to have been made on the next succeeding Business Day. Whenever any payment to be made here under shall be stated to be due on a day which is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

If any Taxes are so levied or imposed, the Borrower agrees to pay the full amount of such Taxes, and such additional amounts as may be necessary so that every payment of all amounts due hereunder, under any Note or under any other Credit Document, after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein, in such Note or in such other Credit Document. If any amounts are payable in respect of Taxes pursuant to the preceding

sentence, then the Borrower agrees to reimburse each Bank, upon the written request of such Bank, for taxes imposed on or measured by the net income of such Bank pursuant to the laws of the jurisdiction in which the principal office or applicable lending office of such Bank is located or under the laws of any political subdivision or taxing authority of any such jurisdiction in which the principal office or applicable lending office of such Bank is located and for any withholding of income or similar taxes imposed by the United States of America as such Bank shall determine are payable by, or withheld from, such Bank in respect of such amounts so paid to or on behalf of such Bank pursuant to the preceding sentence and in respect of any amounts paid to or on behalf of such Bank pursuant to this sentence. The Borrower will furnish to the Administrative Agent within 45 days after the date the payment of any Taxes, or any withholding or deduction on account thereof, is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by the Borrower. The Borrower will indemnify and hold harmless the Administrative Agent, each Co-Agent, and each Bank, and reimburse the Administrative Agent, such Co-Agent or such Bank upon its written request, for the amount of any Taxes so

-22-

levied or imposed and paid or withheld by the Administrative Agent, such Co-Agent or such Bank.

(b) Each Bank which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes agrees (i) to provide to the Borrower and the Administrative Agent on or prior to the Initial Borrowing Date (it being understood and agreed that the providing of such forms in connection with the Existing Credit Agreement shall be satisfactory for purposes of this Section 4.04(b)) two original signed copies of Internal Revenue Service Form 4224 or Form 1001 certifying to such Bank's entitlement to an exemption from United States withholding tax with respect to payments to be made under this Agreement and under any Note and (ii) that, to the extent legally entitled to do so, (x) with respect to a Bank that is an assignee or transferee of an interest under this Agreement pursuant to Section 12.04(b)(y) (unless the respective Bank was already a Bank hereunder immediately prior to such assignment or transfer), upon the date of such assignment or transfer to such Bank, and (y) with respect to any Bank which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes (including, without limitation, any assignee or transferee), from time to time, upon the reasonable request by the Borrower or the Administrative Agent after the Initial Borrowing Date, such Bank will provide to each of the Borrower and the Administrative Agent two original signed copies of Internal Revenue Service Form 4224 or Form 1001 (or any successor forms) certifying to such Bank's entitlement to an exemption from United States withholding tax with respect to payments to be made under this Agreement and under any Note. Notwithstanding anything to the contrary contained in Section 4.04(a), but subject to the immediately succeeding sentence, the Borrower shall be entitled, to the extent it is required to do so by law, to deduct or withhold income or other similar taxes imposed by the United States (or any political subdivision or taxing authority thereof or therein) from interest, fees or other amounts payable hereunder (without any obligation to pay the respective Bank additional amounts with respect thereto) for the account of any Bank which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income tax purposes and which has not provided to the Borrower such forms required to be provided to the Borrower by a Bank pursuant to the first sentence of this Section 4.04(b); provided that if the

Borrower shall so deduct or withhold any such taxes, it shall provide a statement to the Administrative Agent and such Bank, setting forth the amount of such taxes so deducted or withheld, the applicable rate and any other information or documentation which such Bank may reasonably request for assisting such Bank in obtaining any allowable credits or deductions for the taxes so deducted or withheld in the jurisdiction or jurisdictions in which such Bank is subject to tax. Notwithstanding anything to the contrary contained in the preceding sentence and except as set forth in Section 12.04(b), the Borrower agrees to indemnify each Bank in the manner set forth in Section 4.04(a) in respect of any amounts deducted or withheld by it as described in the previous sentence as a result of any changes after the Effective Date in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof, relating to the deducting or withholding of income or similar Taxes.

Administrative Agent under this Agreement or any other Credit Document or (ii) has, or could reasonably be expected to have, a Material Adverse Effect.

(1) Litigation. No litigation by any entity (private or governmental) shall be pending or threatened on the Initial Borrowing Date (a) with respect to this Agreement or any other Credit Document, or (b) which the Administrative Agent or the Required Banks shall determine could reasonably be expected to have a Material Adverse Effect.

5.02 Conditions Precedent to All Credit Events. The obligation of each Bank to make any Loans and the obligation of each Letter of Credit Issuer to issue Letters of Credit (including, without limitation, Loans made and Letters of Credit issued on the Initial Borrowing Date) is subject, at the time of each such Credit Event, to the satisfaction of the following conditions at such time:

(a) At the time of each Credit Event and also after giving effect thereto (i) there shall exist no Default or Event of Default and (ii) all representations and warranties contained herein or in the other Credit Documents in effect at such time shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Credit Event (except to the extent any representation or warranty is expressly made as of a specific date, in which case such representation and warranty shall be true and correct in all material respects as of such date).

(b) The Administrative Agent shall have received a Notice of Borrowing with respect to such Borrowing meeting the requirements of Section 1.03(a) and/or the Administrative Agent and the respective Letter of Credit Issuer shall have received a Letter of Credit Request for such issuance of a Letter of Credit meeting the requirements of Section 2.03, as the case may be.

The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by the Borrower to each of the Banks that all of the applicable conditions specified in Section 5.01 (with respect to the Initial Borrowing Date only) and in this Section 5.02 are then satisfied. All of the certificates, legal opinions and other documents and papers referred to in Section 5.01 and this Section 5.02, unless otherwise specified, shall be delivered to the Administrative Agent at its Notice Office for the account of each of the Banks and, except for the Notes, in sufficient counterparts or copies for each of the Banks and shall be reasonably satisfactory in form and substance to the Administrative Agent.

-28-

Banks and each Letter of Credit Issuer, in each case after giving effect to the Transaction, all of which shall survive the execution and delivery of this Agreement and the making of the Loans and the issuance of Letters of Credit (with the occurrence of each Credit Event being deemed to constitute a representation and warranty that the matters specified in this Section 6 are true and correct in all material respects on and as of the date of each Credit Event, except to the extent that any representation or warranty is expressly made as of a specific date, in which case such representation or warranty shall be true and correct in all material respects as of such specific date):

(i) Each of the Borrower and its Subsidiaries is a duly incorporated, validly existing corporation and, in the case of those entities incorporated in the United States, in good standing under the laws of the jurisdiction of its organization and has the corporate power and authority to own all property and assets owned by it, to lease all property and assets held under lease by it and to transact the business in which it is

engaged and presently proposes to engage and (ii) each of the Credit Parties has duly qualified and is authorized to do business and, with respect to jurisdictions within the United States, is in good standing in all jurisdictions where it is required to be so qualified, except where the failure to be so qualified could not reasonably be expected to have a Material Adverse Effect.

6.02 Corporate Power and Authority. Each Credit Party has the

corporate power and authority to execute, deliver and carry out the terms and provisions of the Documents to which it is a party and has taken all necessary corporate action to authorize the execution, delivery and performance of the Documents to which it is a party. Each Credit Party has duly executed and delivered each Document to which it is a party and each such Document constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms.

6.03 No Violation. Neither the execution, delivery and performance

by any Credit Party of the Documents to which it is a party nor compliance with the terms and provisions thereof, nor the consummation of the transactions contemplated therein (i) will contravene any applicable provision of any law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (ii) will conflict or be inconsistent with or result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of any Credit Party pursuant to the terms of any indenture, mortgage, deed of trust, agreement or other instrument to which any Credit Party is a party or by which it or any of its property or assets are bound or to which it may be subject, including without limitation any Permitted Existing Indebtedness Agreements, or (iii) will violate any provision of the Certificate of Incorporation or By-Laws of any Credit Party.

or, to the best knowledge of the Borrower, threatened with respect to the Borrower or any of its Subsidiaries (i) that could reasonably be expected to have a Material Adverse Effect or (ii) that

-29-

could have a material adverse effect on the rights or remedies of the Administrative Agent or the Banks or on the ability of any Credit Party to perform its obligations to them hereunder and under the other Credit Documents to which it is, or will be, a party.

6.05 Use of Proceeds. (a) The proceeds of Loans shall be utilized

(i) to finance the Refinancing, (ii) to pay fees and expenses arising in connection with the Transaction and (iii) for general corporate purposes of the Borrower and its Subsidiaries, including to effect Permitted Acquisitions and Common Stock Repurchases and to refinance the Senior Notes and any Permitted Refinancing Debt, in each case in accordance with the terms and provisions of this Agreement.

(b) No part of the proceeds of any Loan will be used to purchase or carry any Margin Stock or to extend credit for the purpose of purchasing or carrying any Margin Stock, except proceeds of Loans used in connection with Common Stock Repurchases to the extent permitted pursuant to the terms of the Agreement. No more than 25% of the assets of the Borrower and its Subsidiaries subject on the Initial Borrowing Date to the restrictions set forth in Section 8.01 and/or 8.02 constitute Margin Stock. Neither the making of any Loan hereunder, nor the use of the proceeds thereof (including effecting Common Stock Repurchases), will violate the provisions of Regulation G, T, U or X of the Board of Governors of the Federal Reserve System.

6.06 Governmental Approvals. No order, consent, approval, license,

11.04 Reliance by the Administrative Agent, Co-Agents, etc. The

Administrative Agent and the Co-Agents each shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, consent, certificate, affidavit, letter, cablegram, telegram, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Credit Parties), independent accountants and other experts selected by the Administrative Agent and/or any such Co-Agent. The Administrative Agent and the Co-Agents each shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Banks as it deems appropriate or it shall first be indemnified to its satisfaction by the Banks against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Co-Agents each shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Banks, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Banks.

11.05 Notice of Default. Neither the Administrative Agent nor any

Co-Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless it has received notice from a Bank or the Borrower or any other Credit Party referring to this Agreement,

describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent or a Co-Agent receives such a notice, it shall give prompt notice thereof to the Banks. The

-91-

Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Banks, provided

that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Banks.

11.06 Non-Reliance on Administrative Agent, Co-Agents and Other

Banks. Each Bank expressly acknowledges that neither the Administrative Agent

nor any Co-Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by the Administrative Agent or any Co-Agent hereinafter taken, including any review of the affairs of the Borrower or any of its Subsidiaries, shall be deemed to constitute any representation or warranty by the Administrative Agent or any Co-Agent to any Bank. Each Bank represents to the Administrative Agent and the Co-Agents that it has, independently and without reliance upon the Administrative Agent or any Co-Agent or any other Bank, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, assets, operations, property, financial and other conditions, prospects and creditworthiness of the Credit Parties and made its own decision to make its Loans, and participate in Letters of Credit, hereunder and enter into this Agreement. Each Bank also represents that it will, independently and without reliance upon the Administrative Agent or any Co-Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, assets, operations, property, financial and other conditions, prospects and creditworthiness of the Credit Parties. Neither the Administrative Agent nor any Co-Agent shall have any duty or responsibility to provide any Bank with any credit or other information concerning the business, operations, assets, property, financial and other conditions, prospects or credit worthiness of any Credit Party which may come into the possession of the Administrative Agent or such Co-Agent or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates.

11.07 Indemnification. The Banks agree to indemnify each of the

Administrative Agent and each Co-Agent in its capacity as such ratably according to their respective "percentages" as used in determining the Required Banks at such time (or if the Total Commitment has been terminated and all Loans have been repaid, their respective "percentages" used in determining the Required Banks immediately prior to such termination and repayment), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses or disbursements of any kind whatsoever which may at any time (including, without limitation, at any time following the payment of the Obligations) be imposed on, incurred by or asserted against the Administrative Agent or such Co-Agent in its capacity as such in any way relating to or arising out of this Agreement or any other Credit Document, or any documents contemplated by or referred to herein or the transactions contemplated hereby or any action taken or omitted to be taken by the Administrative

-92-

Agent or such Co-Agent under or in connection with any of the foregoing, but only to the extent that any of the foregoing is not paid by the Borrower or any of its Subsidiaries, provided that no Bank shall be liable to the Administrative

Agent or any Co-Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting solely from the gross negligence or willful misconduct of the Administrative Agent or such Co-Agent, as the case may be. If

any indemnity furnished to the Administrative Agent or any Co-Agent for any purpose shall, in the opinion of the Administrative Agent or such Co-Agent, be insufficient or become impaired, the Administrative Agent or such Co-Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished. The agreements in this Section 11.07 shall survive the payment of all Obligations.

11.08 Individual Capacity. The Administrative Agent and each Co-

Agent and their respective affiliates may make loans to, accept deposits from and generally engage in any kind of business with the Borrower or any of its Subsidiaries as though the Administrative Agent or such Co-Agent were not the Administrative Agent or a Co-Agent hereunder. With respect to the Loans made by it and all Obligations owing to it, the Administrative Agent and each Co-Agent shall have the same rights and powers under this Agreement as any Bank and may exercise the same as though it were not the Administrative Agent or a Co-Agent and the terms "Required Banks," "Bank" and "Banks" shall include the Administrative Agent and each Co-Agent in its individual capacity.

11.09 Resignation; Successors. The Administrative Agent and/or each

Co-Agent may resign as the Administrative Agent or a Co-Agent, as the case may be, upon 20 days' notice to the Banks. To the extent not prohibited by law, the Administrative Agent shall send a copy of any such resignation notice to the Borrower. Upon the resignation of the Administrative Agent (including in its capacity as a Co-Agent), the Required Banks shall appoint from among the Banks a successor Administrative Agent for the Banks subject to prior approval by the Borrower (such approval not to be unreasonably withheld), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall include such successor agent effective upon its appointment, and the resigning Administrative Agent's rights, powers and duties as the Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent, the provisions of this Section 11 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement. In the event no successor Administrative Agent has been appointed by the end of such 20 day period, the resignation of the Administrative Agent shall become effective and the Required Banks shall perform the duties of the Administrative Agent until a successor Administrative Agent is appointed.

-93-

11.10 Holders. The Administrative Agent and the Co-Agents each may

deem and treat the payee of any Note as the owner thereof for all purposes hereof unless and until a written notice of the assignment, transfer or endorsement thereof, as the case may be, shall have been filed with the Administrative Agent. Any request, authority or consent of any Person or entity who, at the time of making such request or giving such authority or consent, is the holder of any Note shall be conclusive and binding on any subsequent holder, transferee, assignee or indorsee, as the case may be, of such Note or of any Note or Notes issued in exchange thereof.

SECTION 12. Miscellaneous.

12.01 Payment of Expenses, etc. The Borrower agrees to: (i) whether

or not the transactions herein contemplated are consummated, pay all reasonable out-of-pocket costs and expenses of the Administrative Agent in connection with the negotiation, preparation, execution and delivery of the Credit Documents and the documents and instruments referred to therein and any amendment, waiver or consent relating thereto (including, without limitation, the reasonable fees and disbursements of White & Case and any consultants retained by the Administrative Agent) and in connection with the Administrative Agent's syndication efforts with respect to this Agreement; (ii) pay all reasonable out-of-pocket costs and expenses of the Administrative Agent and each of the Banks in connection with the enforcement of the Credit Documents and the documents and instruments referred to therein (including, without limitation, the reasonable fees and disbursements of counsel for the Administrative Agent and for each of the Banks); (iii) pay and hold each of the Banks harmless from and against any and all

present and future stamp and other similar taxes with respect to the foregoing matters and save each of the Banks harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to such Bank) to pay such taxes; and (iv) indemnify the Administrative Agent, each Co-Agent and each Bank, their respective officers, directors, employees, representatives and agents (each, an "indemnified person") from and hold each of them harmless against any and all losses, liabilities, claims, damages or expenses incurred by any of them as a result of, or arising out of, or in any way related to, or by reason of, regardless of when any such indemnified matter arises, (a) any investigation, litigation or other proceeding (whether or not the Administrative Agent, any Co-Agent or any Bank is a party thereto) related to the entering into and/or performance of any Document or the use of the proceeds of any Loans or Letter of Credit hereunder or the Refinancing or any other aspect of the Transaction or the consummation of any other transactions contemplated in any Document, (b) any settlement entered into in connection with the foregoing to the extent such settlement has been consented to by the Borrower, which consent shall not be unreasonably withheld or (c) the actual or alleged presence, generation or Release of Hazardous Materials on or from, or the transportation of Hazardous Materials to or from, any Real Property owned or operated at any time by the Borrower or any of its

-94-

Subsidiaries, the non-compliance of any such Real Property with foreign, federal, state and local laws, regulations, and ordinances (including applicable permits thereunder) applicable to any such Real Property, or any Environmental Claim with respect to the Borrower or any of its Subsidiaries or any such Real Property, in each case including, without limitation, the reasonable fees and disbursements of counsel and other consultants incurred in connection with any such investigation, litigation, Environmental Claim or any of such Credit Party's acts, omissions, business, operations or Real Property, or other proceeding (but excluding any such losses, liabilities, claims, damages or expenses to the extent incurred by reason of the gross negligence or willful misconduct of the indemnified person). To the extent that the undertaking to indemnify and hold harmless set forth in this Section 12.01 may be unenforceable because it is violative of any law or public policy as determined by a final judgment of a court of competent jurisdiction, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the liabilities giving rise to claims under the indemnification provisions of this 12.01 which is permissible under applicable law.

12.02 Right of Setoff. In addition to any rights now or hereafter

granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence of an Event of Default, each Bank is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to the Borrower or any of its Subsidiaries or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by such Bank (including, without limitation, by branches and agencies of such Bank wherever located) to or for the credit or the account of the Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Borrower or any of its Subsidiaries to such Bank under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations of the Borrower purchased by such Bank pursuant to Section 12.06(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not such Bank shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. Each Bank shall promptly notify the Borrower in writing after exercising any of its rights pursuant to this Section 12.02.

12.03 Notices. Except as otherwise expressly provided herein, all

notices and other communications provided for hereunder shall be in writing and mailed, telegraphed, telexed, telecopied, cabled or delivered, if to the Borrower, at the address specified opposite its signature below; if to any Bank, at its address specified for such Bank specified on Part B of Schedule I hereto; if to the Administrative Agent, at its Notice Office; or, at such other address as shall be designated by any party in a written notice to the other parties hereto. All such notices and communications shall be mailed, telegraphed, telexed, telecopied, or cabled or sent by overnight courier, and shall be effective when received.

12.04 Benefit of Agreement. (a) This Agreement shall be binding

upon and inure to the benefit of and be enforceable by the respective successors
and assigns of the parties hereto; provided that the Borrower may not assign or

transfer any of its rights or obligations hereunder (except as expressly
provided herein) without the prior written consent of the Banks.

-95-

Each Bank may at any time grant participations in any of its rights hereunder or
under any of the Notes to a Person that is a commercial bank, other financial
institution, mutual fund or "Accredited Investor" as such term is defined in
Regulation D of the Securities Act of 1933, as amended, provided that in the

case of any such participation, the participant shall not have any rights under
this Agreement or any of the other Credit Documents (the participant's rights
against such Bank in respect of such participation to be those set forth in the
agreement executed by such Bank in favor of the participant relating thereto)
and all amounts payable by the Borrower hereunder shall be determined as if such
Bank had not sold such participation, except that the participant shall be
entitled to the benefits of Sections 1.10, 1.11, 2.05, and 4.04 of this
Agreement to the extent that such Bank would be entitled to such benefits if the
participation had not been entered into or sold, and provided further, that no

Bank shall transfer, grant or assign any participation under which the
participant shall have rights to approve any amendment to or waiver of this
Agreement or any other Credit Document except to the extent such amendment or
waiver would (i) extend the final scheduled maturity of any Loan or Note in
which such participant is participating (it being understood that any waiver of
an installment on, the application of any prepayment or the method of any
application of any prepayment to the amortization of the Loans shall not
constitute an extension of the final scheduled maturity date) or reduce the rate
or extend the time of payment of interest or Fees thereon (except in connection
with a waiver of the applicability of any post-default increase in interest
rates), or reduce the principal amount thereof, or increase such participant's
participating interest in any Commitment over the amount thereof then in effect
(it being understood that a waiver of any Default or Event of Default or of a
mandatory reduction in the Total Commitment, or a mandatory prepayment, shall
not constitute a change in the terms of any Commitment and that an increase in
any Commitment shall be permitted without the consent of any participant if such
participant's participation is not increased as a result thereof), or (ii)
consent to the assignment or transfer by the Borrower of any of its rights and
obligations under this Agreement or any other Credit Document (except as
expressly provided herein or therein).

(b) Notwithstanding the foregoing, (x) any Bank may assign all or a
portion of its Loans and/or Commitment and its rights and obligations hereunder
to its parent company and/or any affiliate of such Bank which is at least 50%
owned by such Bank or its parent company or to one or more Banks and (y) any
Bank may assign a portion, in an amount equal to at least the Minimum Assignment
Amount (or the remaining balance thereof if less) of its Loans and/or
Commitment and its rights and obligations hereunder to a Person that is a
commercial bank, other financial institution, mutual fund or "Accredited
Investor" as such term is defined in Regulation D of the Securities Act of 1933,
as amended (each an "Eligible Assignee"), each of which Eligible Assignees shall
be reasonably acceptable to the Administrative Agent and the Borrower and shall
become a party to this Agreement as a Bank prior to or after the Initial
Borrowing Date by executing an assignment agreement substantially in the form
of Exhibit H hereto, appropriately completed (an "Assignment Agreement") with
the assigning Bank, provided that, in each case, (i) at such time Schedule I

shall be deemed to have been modified to reflect the Commitment of such new Bank
and of the existing Banks, (ii) if requested by such new Bank or the assigning
Bank, the Borrower shall issue new Notes to

-96-

such new Bank and to the assigning Bank in conformity with the requirements of
Section 1.05 to the extent needed to reflect the revised Commitments, and (iii)
the Administrative Agent shall have received at the time of each such assignment
from either the assigning or assignee Bank the payment of a nonrefundable

assignment fee of \$3,000. To the extent of any assignment pursuant to this Section 12.04(b), the assigning Bank shall be relieved of its obligations hereunder with respect to its assigned Loans and/or Commitment. No Bank may assign all or a portion of its Commitment to an Eligible Assignee not already a Bank hereunder unless each Letter of Credit Issuer shall have consented in writing to such assignment. At the time of each assignment pursuant to this Section 12.04(b) to a Person which is not already a Bank here under and which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. Federal income taxes, the respective assignee Bank shall, to the extent legally entitled to do so, provide to the Borrower the forms described in Section 4.04(b)(ii). Nothing in this Section 12.04(b) shall prevent or prohibit any Bank from pledging its Loans or Notes hereunder to a Federal Reserve Bank in support of borrowings made by such Bank from such Federal Reserve Bank.

(c) Notwithstanding any other provisions of this Section 12.04, no transfer or assignment of the interests or obligations of any Bank hereunder or any grant of participations therein shall be permitted if such transfer, assignment or grant would require the Borrower to file a registration statement or qualify an indenture with the SEC or to qualify the Loans under the "Blue Sky" laws of any State.

(d) Notwithstanding any other provisions of this Section 12.04, any transfer or assignment of the interests or obligations of any Bank hereunder shall be subject to such limitations as may be imposed by the Administrative Agent in its sole discretion.

12.05 No Waiver; Remedies Cumulative. No failure or delay on the

part of the Administrative Agent, any Co-Agent or any Bank in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between any Credit Party and the Administrative Agent, any Co-Agent or any Bank shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights and remedies herein expressly provided are cumulative and not exclusive of any rights or remedies which the Administrative Agent, any Co-Agent or any Bank would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, any Co-Agent or the Banks to any other or further action in any circumstances without notice or demand.

12.06 Payments Pro Rata. (a) Except as otherwise provided by this

Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations, it shall, except as otherwise

-97-

provided in this Agreement, distribute such payment to the Banks (other than any Bank that has consented in writing to waive its pro rata share of such payment)
--- ---
pro rata based upon their respective shares, if any, of the Obligations with
- --- ---
respect to which such payment was received.

(b) Each of the Banks agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise) which is applicable to the payment of the principal of, or interest on, the Loans, Unpaid Drawings or Fees, of a sum which with respect to the related sum or sums received by other Banks is in a greater proportion than the total of such Obligation then owed and due to such Bank bears to the total of such Obligations then owed and due to all of the Banks immediately prior to such receipt, then such Bank receiving such excess payment shall purchase for cash without recourse or warranty from the other Banks an interest in the Obligations in such amount as shall result in a proportional participation by all of the Banks in such amount, provided that if all or any portion of such excess amount

is thereafter recovered from such Bank, such purchase shall be rescinded and the

purchase price restored to the extent of such recovery, but without interest.

12.07 Calculations; Computations. (a) The financial statements to

be furnished to the Banks pursuant hereto shall be made and prepared in accordance with GAAP consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Banks), provided that, except as otherwise specifically

provided herein, all computations determining compliance with Section 8, including definitions used therein, shall utilize accounting principles and policies in effect at the time of the preparation of, and in conformity with those used to prepare, the 1994 historical financial statements delivered to the Banks pursuant to Section 6.11(b).

(b) All computations of interest, Commitment Commission and Fees here under shall be made on the actual number of days elapsed over a year of 360 days.

(c) All determinations of the Stated Amount of Letters of Credit and of the principal amount of Unpaid Drawings, in each case to the extent denominated in a currency other than Dollars, shall be made by converting same into Dollars at (x) in the case of a determination of the Borrower's obligation to reimburse in Dollars a drawing under a Letter of Credit denominated in a currency other than Dollars or of each Participating Bank's obligation pursuant to Section 2.02(c) to pay the amount of such Participating Bank's Percentage of an unreimbursed payment in respect of any such Letter of Credit, the spot exchange rate for the currency in question of the respective Letter of Credit Issuer on the date of such drawing or (y) if the provisions of the foregoing clause (x) are not applicable, the spot exchange rate for the currency in question calculated by the Administrative Agent on the last day of the month preceding the month in which any such determination is being made and at such other times as the Administrative Agent elects to make such determination, it being understood that the Administrative Agent shall have no obligation to make any such other determinations.

12.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; TRIAL BY

JURY. (A) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND

OBLIGATIONS OF THE PARTIES HERE UNDER AND THEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. THE BORROWER HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT ANY SUCH COURTS LACK JURISDICTION OVER THE BORROWER, AND AGREES NOT TO PLEAD OR CLAIM, IN ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN ANY OF THE AFORESAID COURTS, THAT ANY SUCH COURT LACKS JURISDICTION OVER THE BORROWER. IF FOR ANY REASON THE BORROWER CEASES TO MAINTAIN AN OFFICE IN NEW YORK CITY, THE BORROWER AGREES TO DESIGNATE, APPOINT AND EMPOWER A DESIGNEE, APPOINTEE AND AGENT IN NEW YORK CITY ON THE TERMS AND FOR THE PURPOSES OF THIS PROVISION SATISFACTORY TO THE ADMINISTRATIVE AGENT TO RECEIVE, ACCEPT AND ACKNOWLEDGE FOR AND ON ITS BEHALF, AND IN RESPECT OF ITS PROPERTY, SERVICE OF ANY AND ALL LEGAL PROCESS, SUMMONS, NOTICES AND DOCUMENTS WHICH MAY BE SERVED IN ANY SUCH ACTION OR PROCEEDING. THE BORROWER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER, AT ITS ADDRESS SET FORTH OPPOSITE ITS SIGNATURE BELOW, SUCH SERVICE TO BECOME EFFECTIVE THIRTY DAYS AFTER SUCH MAILING. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY BANK OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(B) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY

VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (A) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH OF THE BORROWER AND EACH BANK IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY COURT OR JURISDICTION, INCLUDING WITHOUT LIMITATION THOSE REFERRED TO IN CLAUSE (A) ABOVE, IN RESPECT OF ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS.

12.09 Counterparts. This Agreement may be executed in any number of ----- counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

12.10 Effectiveness. This Agreement shall become effective on the ----- date (the "Effective Date") on which the Borrower, the Administrative Agent, each Co-Agent and each of the Banks shall have signed a copy hereof (whether the same or different copies) and shall have delivered the same to the Administrative Agent at the Notice Office of the Administrative Agent or, in the case of the Banks, shall have given to the Administrative Agent telephonic (confirmed in writing), written, telex or telecopy notice (actually received) at such office that the same has been signed and mailed to it. The Administrative Agent will give the Borrower and each Bank prompt written notice of the occurrence of the Effective Date.

12.11 Headings Descriptive. The headings of the several sections and ----- subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

12.12 Amendment or Waiver. (a) Neither this Agreement nor any other ----- Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the Borrower and the Required Banks, provided that no such ----- change, waiver, discharge or termination shall, without the consent of each Bank affected thereby, (i) extend the final scheduled maturity of any Unpaid Drawing, Loan or Note (it being understood that any waiver of an installment on, the application of any prepayment or the method of application of any prepayment to the amortization of the Loans shall not constitute an extension of the final scheduled maturity date), or reduce the rate or extend the time of payment of interest (other than as a result of waiving the applicability of any post-default increase in interest rates) thereon or Fees, or reduce the amount thereof, (ii) amend, modify or waive any provision of Section 3.03(b), (iii) amend, modify or waive any provision of this Section, (iv) reduce the percentage specified in the defin-

ition of Required Banks (it being understood that, with the consent of the Required Banks, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Banks on substantially the same basis as an extension of Loans, Letters of Credit and Commitments are included on the Effective Date), or (v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under any Credit Document (except as expressly provided herein or therein); provided further, that no such change, -----

waiver, discharge or termination shall (w) increase the Commitment of any Bank over the amount thereof then in effect without the consent of such Bank (it being understood that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default or of a mandatory reduction in the Total Commitment shall not constitute an increase of the Commitment of any Bank, and that an increase in the available portion of any Commitment of any Bank

shall not constitute an increase in the Commitment of such Bank), (x) without the consent of each Letter of Credit Issuer, amend, modify or waive any provision of Section 2 or alter its rights or obligations with respect to Letters of Credit or (y) without the consent of the Administrative Agent or the Co-Agents, respectively, amend, modify or waive any provision of Section 11 as same applies to such Administrative Agent or Co-Agent, as the case may be, or any other provision as same relates to the rights or obligations of such Administrative Agent or Co-Agent, as the case may be.

(b) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (iv), inclusive, of the first proviso to Section 12.12(a), the consent of the Required Banks is obtained but the consent of one or more of such other Banks whose consent is required is not obtained, then the Borrower shall have the right to replace each such non-consenting Bank or Banks (so long as all non-consenting Banks are so replaced) with one or more Replacement Banks pursuant to Section 1.13 so long as at the time of such replacement, each such Replacement Bank consents to the proposed change, waiver, discharge or termination, provided that the Borrower shall not have the right to replace a Bank solely as a result of the exercise of such Bank's rights (and the withholding of any required consent by such Bank) pursuant to the second proviso to Section 12.12(a).

(c) Notwithstanding anything to the contrary contained above in this Section 12.12, the Administrative Agent may enter into amendments to the Subsidiary Guaranty for the purpose of adding Subsidiaries of the Borrower to the Subsidiary Guaranty without the consent of the Required Banks.

12.13 Survival. All indemnities set forth herein including, without limitation, in Section 1.10, 1.11, 2.05, 2.06, 4.04, 11.07 or 12.01 shall survive the execution and delivery of this Agreement and the making and repayment of the Loans and the satisfaction of all other Obligations.

12.14 Domicile of Loans. Each Bank may transfer and carry its Loans or participations at, to or for the account of any branch office, subsidiary or affiliate of such Bank,

-101-

provided that the Borrower shall not be responsible for costs arising under Section 1.10, 1.11, 2.05, or 4.04 resulting from any such transfer (other than a transfer pursuant to Section 1.12) to the extent such costs would not otherwise be applicable to such Bank prior to such transfer.

12.15 Confidentiality. (a) Subject to the provisions of clause (b) of this Section 12.15, each Bank agrees that it will use its best efforts not to disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Bank if the Bank or such Bank's holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 12.15 to the same extent as such Bank) any information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document and which is designated by the Borrower in writing as confidential, provided that any Bank may disclose any such information (a) as has become generally available to the public, (b) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body having or claiming to have jurisdiction over such Bank or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors, (c) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (d) in order to comply with any law, order, regulation or ruling applicable to such Bank, (e) to the Administrative Agent and (f) to any prospective or actual transferee or participant in connection with any contemplated or actual transfer or participation of any of the Notes or Commitment or any interest therein by such Bank, provided that such prospective transferee or participant executes an agreement with such Bank containing provisions substantially the same as to those contained in this Section.

WHEREAS, the parties hereto wish to amend the Credit Agreement as herein provided;

NOW, THEREFORE, it is agreed:

1. Section 2.01(b) (i) of the Credit Agreement is hereby amended by deleting clause (x) thereof in its entirety and inserting the following new clause (x) in lieu thereof:

"(x) the difference between (A) \$30,000,000 and (B) Non-Facility Letter of Credit Outstandings,"

2. Section 8.03(d) of the Credit Agreement is hereby amended by inserting the following proviso at the end thereof:

"provided further that if at any time the Obligations of the Borrower ----- shall be secured, the obligations of the Borrower under the Non-Facility Letter of Credit Agreement shall be secured by the same collateral on a pari passu ---- ---- basis;"

3. Section 10 of the Credit Agreement is hereby amended by inserting in the appropriate alphabetical order the following new definitions of "Non-Facility Letter of Credit Outstandings" and "Non-Facility Unpaid Drawings":

"Non-Facility Letter of Credit Outstandings" shall mean, at any time, the sum of (i) the aggregate Stated Amount of all outstanding Non-Facility Letters of Credit and (ii) the aggregate amount of all Non-Facility Unpaid Drawings."

"Non-Facility Unpaid Drawings" shall mean all amounts disbursed by PNC under any Non-Facility Letter of Credit until such amounts are reimbursed."

4. Consent. The Banks hereby consent to the amendment to the Non-Facility Letter of Credit Agreement in the form attached hereto.

5. In order to induce the Banks to enter into this Amendment, the Borrower hereby represents and warrants that (x) no Default or Event of Default exists on the First Amendment Effective Date (as hereinafter defined), both before and after giving effect to this Amendment and (y) all of the representations and warranties contained in the Credit Documents shall be true and correct in all material respects on the First Amendment Effective Date, both before and after giving effect to this Amendment with the same effect as though such representations and warranties had been made on and as of the First

Amendment Effective Date (it being understood that any representation or warranty made as of a specific date shall be true and correct in all material respects as of such specific date).

6. This Amendment is limited as specified and shall not constitute a modification, acceptance or waiver of any other provision of the Credit Agreement or any other Credit Document.

7. This Amendment may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which counterparts when executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A complete set of counterparts shall be lodged with the Borrower and the Administrative Agent.

8. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

9. This Amendment shall become effective on the date (the "First Amendment Effective Date") when the Borrower and the Required Banks shall have signed a counterpart hereof (whether the same or different copies) and shall have delivered (including by way of telecopier) the same to the Administrative Agent at its Notice Office.

10. From and after the First Amendment Effective Date, all references in the Credit Agreement and each of the Credit Documents to the Credit Agreement shall be deemed to be references to such Credit Agreement as amended hereby.
