General

1. Please expand your discussion to address the reasons you believe that your leadership structure is appropriate, addressing your specific characteristics or circumstances. In your discussion, please also address how the experience of your Lead Independent Director is brought to bear in connection with your board's role in risk oversight.

2. Please expand upon the role that your Lead Independent Director plays in the leadership of the board. For example, please enhance your disclosure to address whether or not your Lead Independent Director may:

3. Please expand upon how your board administers its risk oversight function. For example, please disclose:

the timeframe over which you evaluate risks (e.g., short-term, intermediate-term, or long-term) and how you apply different oversight standards based upon the immediacy of the risk assessed; whether you consult with outside advisors and experts to anticipate future threats and trends, and how often you re-assess your risk environment;

whether you have a Chief Compliance Officer and to whom this position reports; and

how your risk oversight process aligns with your disclosure controls and procedures.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
